CONDITIONS OF TENDER AND CONTRACT FOR OPEN TENDER

(See Rule 68)

Note: Tenderers should read these conditions carefully and comply strictly while sending their tenders.

1. Tenders must be enclosed in a properly sealed envelope according to the directions given in the tender notice.
2. **"Tenders by bona-fide dealers:"** Tenders shall be given only by bona-fide dealers in the goods. They shall, therefore, furnish a declaration in the SR FORMS 11.
3. (i) Any change in the constitution of the firm, etc., shall be notified forthwith by the contractor in writing to the purchase officer and such change shall not relive any former member of the firm, etc., from any liability under the contract.
(ii) No new partner/partners shall be accepted in the firm by the contractor in respect of the contract unless he/they agree to avoid by all its terms, conditions and deposit with the purchase officer a written agreement to this effect. The contractors receipt for acknowledgement or that of any partners subsequently accepted as above shall bind all of them and will be sufficient discharge for any of the purpose of the contract.
4. **Sales Tax Registration and Clearance Certificate :** No Dealer who is not registered under the Sales Tax Act prevalent in the State where his business is located shall tender. The Sales Tax Registration Number should be quoted and a sales tax clearance certificate from the Commercial Taxes Officer of the Circle concerned shall be submitted without which the tender is liable to rejection.
5. **Income Tax Clearance Certificate :** Tenderers will have to submit an Income Tax Clearance Certificate from the Income Tax Officer of the circle concerned along with the tenders without which tender may not be considered.
6. Tender forms shall be filled in ink or typed. No tender filled in pencil shall be considered. The tenderer shall sign the tender form at each page and at the end in token of acceptance of all the terms and conditions of the tender.
7. Rate shall be written both in words and figures. There should not be errors and/or overwritings, corrections if any, should be made clearly and initialled with dates. The rates should mention element of the Rajasthan State Sales Tax and Central Sales Tax separately.
8. All rates quoted must be FOR destination and should include all incidental charges except octroi, Central/Rajasthan Sales Tax which should be shown separately. In case of local supplies the rates should include all taxes, etc., and no cartage or transportation charges will be paid by the Government and the delivery of the goods shall be given at the premises of Purchase Officer. Goods to be purchased are for the purpose of official use, hence octroi is not payable. The rates, therefore, should be exclusive of octroi, and local tax. In case goods to be purchased are for the purpose of resale or use as manufacture of any goods for sale, the rates shall be inclusive of octroi and local tax. In the former case, a certificate in the prescribed form will be furnished along with the supply order.
9. (i) **Comparison of Rates :** In comparing the rates tendered by firms outside Rajasthan and those in Rajasthan but not entitled to Price Preference under the Rules,
(ii) While comparing the rates in respect of firms within Rajasthan the element of Rajasthan Sales Tax shall be included.
10. **Price Preference:** Price preference/preference will be given to the goods produced or manufactured by Industries of Rajasthan over goods produced or manufactured by Industries outside Rajasthan as per Purchase of Stores (Preference to Industries of Rajasthan) Rules,1995.)
11. **Validity :** Tenders shall be valid for a period of three months from the date of opening of Tender.
12. The approved supplier shall be deemed to have carefully examined the conditions, specifications, size, make and drawings, etc., of the goods to be supplied. If he has any doubts as to the meaning of any portion of these conditions or of the specification, drawing, etc., he shall, before signing the contract, refer the same to the Purchase Officer and get clarifications.
13. The contractor shall not assign or sub-let his contract or any substantial part thereof to any other agency.
14. **Specifications :**
(i) All article supplied shall strictly conform to the specifications, trade mark laid down in the tender form and wherever articles have been required according to ISI specifications, those articles should conform strictly to those specifications and should bear such marks.
(ii) The supply of articles marked with asterisk/at serial number....., shall in addition, conform strictly to the approved samples and in case of other material where there are no standard or approved samples, the supplier shall be of the very best quality and description. The decision of the Purchase Officer/Purchase Committee whether the articles supplied conform to the specifications and are in accordance with the samples, if any, shall be final and binding on the tenderers.

- (iii) **Warranty/Guarantee clause** : The tenderer would give guarantee that the goods/ stores/articles would continue to conform to the description and quality as specified for a period of..... days/months from the date of delivery of the said goods/ stores/articles to be purchased and that notwithstanding the fact that the purchaser may have inspected and/or approved the said goods/stores/articles, if during the aforesaid period of.....days/months, the said goods/stores/articles be discovered not to conform to the description and quality aforesaid or have determined (and the decision of the Purchase Officer in that behalf will be final and conclusive), the purchaser will be entitled to reject the said goods/stores/articles or such portion thereof as may be discovered not to conform to the said description and quality, on such rejection the goods/articles/stores will be at the seller's risk and all the provisions relating to rejection of goods, etc., shall apply. The tenderer shall if so called upon to do, replace the goods, etc., or such portion thereof as is rejection by the Purchase Officer, otherwise the tenderer shall pay such damage as may arise by reason of the breach of the condition herein contained. Nothing herein contained shall prejudice any other right of the Purchase Officer in that behalf under this contract or otherwise.
- (iv) In case of machinery and equipment also, guarantee will be given as mentioned in clause (iii) above and the tenderer shall during the guarantee period replace the parts if any and remove any manufacturing defect if found during the above period so as to make machinery and equipments operative. The tenderer shall also replace machinery and equipments in case it is found defective which cannot be put to operation due to manufacturing defect, etc.
- (v) In case of machinery and equipment specified by the Purchase Officer the tenderer shall be responsible for carrying out annual maintenance and repairs on the terms and conditions as may be agreed. The tenderer shall also be responsible to ensure adequate regular supply of spare parts needed for a specific type of machinery and equipments whether under their annual maintenance and repairs rate contract or otherwise. In case of change of model he will give sufficient notice to the Purchase Officer who may like to purchase spare parts from them to maintain the machinery and equipments in perfect condition.

15. **Inspection :**

- (a) The Purchase Officer or his duly authorized representative shall at all reasonable time have access to the suppliers premises and shall have the power at all reasonable time to inspect and examine the materials and workmanship of the goods/equipment/machineries during manufacturing process or afterwards as may be decided.
- (b) The tenderer shall furnish complete address of the premises of his office, godown and workshop where inspection can be made together with name and address of the person who is to be contacted for the purpose. In case of those dealers who have newly entered in business, a letter of introduction from their bankers will be necessary.

16. **Samples** : Tenders for articles marked within the schedule shall be accompanied by two set of samples of the articles tendered properly packed. Such samples if submitted personally will be received in the office. A receipt will be given for each samples by the officer receiving the samples. Samples if sent by train, etc., should be despatched freight paid and the R/R or G.R. should be sent under a separate registered cover. Samples for catering/food items should be given in a plastic box or in polythene bags at the cost of the tenderer.

17. Each sample shall be marked suitably either by written on the sample or on a slip or durable paper securely fastened to the sample, the name of the tenderer and serial number of the item, of which it is a sample in the schedule.

18. Approved samples would be retained free of cost upto the period of six months after the expiry of the contract. The Government shall not be responsible for any damage, wear and tear or loss during testing, examination, etc., during the period these samples are retained. The Sample shall be collected by the tenderer on the expiry of stipulated period. The Government shall in no way make arrangements to return the samples. The samples uncollected within 9 months after expiry of contract shall be forfeited by the Government and no claim for their cost, etc., shall be entertained.

19. Samples not approved shall be collected by the unsuccessful tenderer. The Government will not be responsible for any damage, wear and tear, or loss during testing, examination, etc., during the period these samples are retained. The uncollected samples shall be forfeited and no claim for their cost, etc., shall be entertained.

20. Supplies when received shall be subject to inspection to ensure whether they conform to the specifications or with the approved samples. Where necessary or prescribed or practical, tests shall be carried out in Government laboratories, reputed testing house like Sri Ram Testing House, New Delhi and

the like and the supplies will be accepted only where the articles conform to the standard of prescribed specifications as a result of such tests.

21. **Drawl of Samples:** In case of tests, samples shall be drawn in four sets in the presence of tenderer or his authorized representative and properly sealed in their presence. Once such set shall be given to them, one or two will be sent to the laboratories and/or testing house and the third or fourth will be retained in the office for reference and record.
22. **Testing charges :** Testing charges shall be borne by the bidder. In case urgent testing is desired to be arranged by the tenderer or in case of test results showing that supplies are not upto the prescribed standards or specifications, the testing charges shall be payable by the bidder.
23. **Rejection:**(i) Articles not approved during inspection or testing shall be rejected and will have to be replaced by the tenderer at his own cost within the time fixed by the Purchase Officer.
(ii) If, however, due to exigencies of Government work, such replacement either in whole or in part, is not considered feasible, the Purchase Officer after giving an opportunity to the tenderer of being heard, shall for reasons to be recorded, deduct a suitable amount from the approved rates. The deduction so made shall be final.
24. The rejected articles shall be removed by the tenderer within 15 days of intimation of rejection, after which Purchase Officer shall not be responsible for any loss, shortage or damage and shall have the right to dispose of such articles as he thinks fit, at the tenderer's risk and on his account.
25. The tenderer shall be responsible for the proper packing so as to avoid damage under normal conditions of transport by sea, rail and road or air and delivery of the material in good condition to the consignee at destination. In the event of any loss, damage, breakage or leakage or any shortage the tenderer shall be liable to make good such loss and shortage found at the checking/inspection of the materials by the consignee. No extra cost on such account shall be admissible.

47. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above. If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

48. Procuring Entity's Right to Vary Quantities

(i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.

(ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.

(iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.

49. Dividing quantities among more than one Bidder at the time of award (In case of procurement of Goods)

As a general rule all the quantities of the subject matter of procurement shall be procured from the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.
