

Undertaking

We, M/s [.....], manufacturer of Wire Rope Slings, hereby submit the following undertaking in connection with our techno-commercial bid against ONGC Tender No. ....

- a. We ensure the validity of our IS-4521 /IS-2266 / API-9A authorization throughout the currency of the contract. In the event the IS-4521 /IS-2266 / API-9A certificate is under renewal, we shall furnish a letter from BIS/API along with the techno-commercial bid stating that the renewal of the certificate is under process and that we are authorized to use the IS-4521 /IS-2266 / API-9A monogram until the renewed certificate is issued.
- b. The wire ropes used for manufacturing Wire Rope Slings offered by us shall bear the IS-4521 /IS-2266 / API-9A monogram in accordance to IS-4521 /IS-2266 / API-9A standards (latest edition).
- c. We confirm that, we have the necessary testing facilities, including a NABL-accredited laboratory at their premises, to conduct testing as per ONGC's Scope of Inspection. In the event, such testing facilities are not available at our premises, we shall ensure testing is carried out at a nearby NABL-accredited laboratory.
- d. We confirm that the inspection of the wire rope Slings will be carried out at the manufacturer's premises in accordance with IS-4521 /IS-2266 / API-9A standards (latest edition) and the tendered Quality Assurance Plan (QAP), by ONGC's Quality Assurance Department (QAD) or any TPIA nominated by ONGC, at ONGC's cost. The inspection report will be submitted along with the shipping documents.
- e. We shall provide ONGC with a minimum of 15 days' advance notice to enable the deployment of ONGC representatives or the nominated Third Party Inspection (TPI) agency for carrying out inspection at the manufacturer's premises.
- f. We hereby confirm our full and unconditional acceptance of all the activities mentioned in the Quality Assurance Plan (QAP) provided in the tender documents, without any deviation.
- g. Bidder accepts the delivery schedule stipulated in the tender documents.
- h. We undertake to supply the material strictly in accordance with the technical specifications outlined in the tender.
