4. Introduction

Bhagalpur Smart City Limited (BSCL), a Special Purpose Vehicle (SPV) incorporated under the provisions of the Companies Act, 2013, has been established for the planning, execution and monitoring of projects under Smart City Mission in Bhagalpur.

Under the Smart City Mission, BSCL has successfully undertaken and implemented several citizen-centric infrastructure and urban development projects aimed at enhancing the quality of life and improving urban services in the city. These initiatives include development and upgradation of roads, parks and open spaces, riverfront development, installation of solar and street lighting systems and other urban infrastructure works in Bhagalpur.

In order to ensure efficient planning and execution of upcoming projects, BSCL intends to empanel competent and experienced agencies/firms for preparation of project-related technical documents, including Detailed Project Reports (DPRs), feasibility studies, estimates, designs, bid documents and other consultancy services required for implementation of various infrastructure and urban development projects under the allied schemes.

5. Objective of the Empanelment

The **Bhagalpur Smart City Limited (BSCL)** requires the services of suitably qualified and registered Architectural/Technical Consultants to provide comprehensive Technical Consultancy Services including Survey work and report, Planning, Landscaping, Beautification, Architectural Layouts/ Plans, Structural Designs and Drawing (Conceptual, Detailed, Working and As-Built drawings), preparation of DPR & support services while execution of projects like Electrical, and Cost Estimates & other technical services and tender documents etc. for various projects of BSCL within Bhagalpur Smart City Limited (BSCL). BSCL intends to empanel Technical Consultants for development of such projects.

The consultants will carry out a multi-stage exercise to formulate the DPR in close collaboration with BSCL.
