ADDITIONAL PERFORMANCE SECURITY WHEN THE BID RATE IS 80% OR LESS OF THE ESTIMATE PUT TO TENDER AND NO INCREASE IN SCOPE OF WORK OF PROJECTS DURING EXECUTION PHASE

Ref: Memorandum No. 4608-F(Y) Dt. 18.07.2018 of Additional Chief Secretary to the Govt. of West Bengal, Finance Department, Audit Branch.

In tenders for Government works, bids are sometimes received at a much lower rate than the Estimated Amount put to tender. In such cases, to ensure the quality and proper execution of the work in public interest, the Governor is pleased to decide that **Additional Performance Security @ 10% of the tendered amount shall be obtained from the successful bidder if the accepted bid value is 80% or less of the Estimate put to tender.**

The Additional Performance Security shall be submitted in the form of Bank Guarantee from any Scheduled Bank before issuance of the Work Order. If the bidder fails to submit the Additional Performance Security within seven working days from the date of issuance of Letter of Acceptance, his Earnest Money will be forfeited and other necessary actions as per NIT like blacklisting of the contractor, etc, may be taken. The Bank Guarantee shall have to be valid up to end of the Contract Period and shall be renewed accordingly, if required.

The Bank Guarantee shall be returned immediately on successful completion of the Contract. If the bidder fails to complete the work successfully, the Additional Performance Security shall be forfeited at any time during the pendency of the contract period after serving proper notice to the contractor. Necessary provisions regarding deduction of security deposit from the progressive bills of the contractor as per relevant clauses of the contract shall in no way be altered/affected by provision of this Additional Performance Security.

SPLITTING OF WORKS AND/ OR INCREASE IN SCOPE OF WORK OF PROJECTS DURING EXECUTION PHASE

Ref: Memorandum No. 4609-F(Y) Dt. 18.07.2018 of Additional Chief Secretary to the Govt. of West Bengal, Finance Department, Audit Branch.

Splitting of works, in general, is not allowed as per Rule 102 of WBFR. However, under exceptional circumstances, works are sometimes required to be splitted after taking express approval of the Administrative Department where the primary consideration of splitting is expediting the execution thereof.

It is hereby reiterated that such splitting of works shall not be resorted to unless where it is unavoidable. The purpose of splitting, shall under no circumstances, be done for evading the provisions of e-tender and/or for evading the financial powers of the sanctioning authority.

Further, after finalization of the tender process, the scope of work should not be increased during period of execution. No additional/supplementary/substitute items should be considered beyond the already approved scope of work and estimate. Where the accepted bid rate is less than the estimated amount put to tender, the scope of work should not be increased to allow expenditure up to the administrative approved amount. However, routine and minor deviations, as permissible in PWD Code and WBFR, may be considered with the approval of competent authority if the same are absolutely essential for execution of work as per the already approved plan and design.
