SECTION -I

NOTICE INVITING TENDER (NIT)

NHAI/ROGNR/CCMS/PIU-Amd/2026

Dated : 28.05.2026

Name of Work: Supply, Installation, Testing, Commissioning, Operation & Maintenance of Centralized Control & Monitoring System (CCMS) for Street Lighting on (i) 6 lane section of Ahmedabad to Vadodara section of NH-48 (old NH-8) from Km. 6.400 to Km. 108.700 (Length Km 102.300), (ii) Ahmedabad to Vadodara Expressway from Km. 0.000 to Km. 93.302 (Length 93.302 km) section of NE-01, (iii) Six laning from existing Km 494.410 (Design chainage Km 540.595) to existing Km 509.550 (Design chainage Km 555.905) of NH-48 (old NH-8) (Length 15.310 KM), (iv) Six Laning of Shamlaji-Motachilloda from Km. 401.200 to Km. 494.410 section (Design Chainage Km. 447.385 to Km. 540.595, Length - 93.210 Km) of NH-48 (Old NH -8) under PIU, Ahmedabad on Five (05) Year Contract Basis..

Bids are invited from experienced and reputed Contractors having proven experience (**minimum of three years**) in the supply, installation, testing, commissioning, operation and maintenance of **Centralized Control & Monitoring Systems (CCMS)** for highways, urban roads, municipal corporations, or other government infrastructure projects.

1. The BOQ form and terms & conditions for the above service work may be downloaded from NHAI website **<http://www.nhai.gov.in> or E-Tender Portal- NIC (<http://etenders.gov.in>) from next working day of receipt of approval by Competent Authority.** The Contractor who download the NIT documents from the website will be required to pay a non-refundable fee of Rs.25000/- (Rupees Twenty Five Thousand only) at the time of the submission of the Bid proposal.

Key Dates:

1. **Last Date of Online Bid Submission (Online):** - 29.06.2026 at 1200 hrs
2. **Date and time of Technical Bid opening:** - 30.06.2026 at 1230 hrs
3. **Date of Financial Bid opening:** - **to be intimated later**

3. **Cost of Bid Documents (Non-Refundable): Rs. 25,000/-**

The Bidders shall pay online and submit a payment receipt for **Rs. 25000/-** (Rupees Twenty Five Thousand only) towards cost of Bid Documents (non- refundable). Details of the designated bank account of NHAI Regional Office, Gandhinagar is as under:

S. No.	Particulars	Details
1	Name of Beneficiary	NATIONAL HIGHWAYS AUTHORITY OF INDIA
2	Name of Bank	CANARA Bank
3	Account No.	238120100461
4	IFSC Code	CNRB0002381

The RFP will be invited through e-tendering portal of NHAI only. Refer procedure under e-tendering for submission of RFP through e-tendering.

4. NHAI reserves the right to reject and cancel all quotations without assigning any reasons.

5. Address for any type of communication/ clarifications is given below: -

SECTION –II
(INFORMATION TO BIDDERS)

Name of Work: Supply, Installation, Testing, Commissioning, Operation & Maintenance of Centralized Control & Monitoring System (CCMS) for Street Lighting on (i) 6 lane section of Ahmedabad to Vadodara section of NH-48 (old NH-8) from Km. 6.400 to Km. 108.700 (Length Km 102.300), (ii) Ahmedabad to Vadodara Expressway from Km. 0.000 to Km. 93.302 (Length 93.302 km) section of NE-01, (iii) Six laning from existing Km 494.410 (Design chainage Km 540.595) to existing Km 509.550 (Design chainage Km 555.905) of NH-48 (old NH-8) (Length 15.310 KM), (iv) Six Laning of Shamlaji-Motachilloda from Km. 401.200 to Km. 494.410 section (Design Chainage Km. 447.385 to Km. 540.595, Length - 93.210 Km) of NH-48 (Old NH -8) under PIU, Ahmedabad on Five (05) Year Contract Basis..

Introduction: -

Bids are invited from firms having a **minimum of three (03) years' experience** in supply, installation, testing, commissioning, operation and maintenance of Centralized Control & Monitoring Systems (CCMS) for Street Lighting on National Highways/State Highway/City Roads.

Experience certificates shall be issued by Central / State Government departments, Public Sector Undertakings (PSUs), or Municipal Corporations

Note:

1. In case of nominated sub-contractor, a certificate from the Executive Engineer or equivalent of the Prime Employer should be obtained from whom an approval for subcontractor has been obtained.

1. Scope of Work: -

The scope of work shall include:

- a. Supply of **Centralized Control & Monitoring System (CCMS) feeder panels** conforming to the technical specifications provided in **Section–IV (Technical Specifications)**, including hardware, energy meters, communication modules, enclosure, stand, and all associated accessories.
- b. Installation, testing, and commissioning of CCMS feeder panels at designated switching points along National Highways, service roads, and slip roads.
- c. Operation of the CCMS for **automated and remote ON/OFF control** of street lighting based on astronomical (sunrise/sunset) timings and central control commands.
- d. Preventive and breakdown maintenance of CCMS hardware, communication systems, and web-based central monitoring software for the entire contract period.
- e. Supply, replacement, and upkeep of all consumables and accessories including SIM cards/data connectivity, batteries, relays, protection devices, and other replaceable components required for uninterrupted CCMS operation.
- f. Training of operators and NHAI/Authority personnel for operation, monitoring, report generation, and basic troubleshooting of the CCMS.
- g. Continuous monitoring, logging, and reporting of electrical parameters, energy consumption, system performance, faults, and alerts in compliance with applicable energy efficiency and safety standards.
- h. Deployment and integration of the CCMS on **National Highways** including GIS-based mapping and centralized supervision.

2. Information about Bidding: -

3.1	Address of the Authority for correspondence	National Highways Authority of India (NHAI), Regional Office–Gandhinagar (Gujarat). 1st Floor, BSNL Telephone Exchange Building, Ch Road, Sector-11, Gandhinagar, Gujarat–382011. Phone No. 079-29650607/08 rogujarat@nhai.org
3.2	Availability of Bid Documents	The bid documents will be available for download from NHAI website http://www.nhai.gov.in or E-Tender Portal-NIC (https://etenders.gov.in)
3.3	Earnest Money Deposit/Bid Security	Bid security amounting to five Lakh in the form of Demand Draft / Bank Guarantee in favour of NHAI Regional office, Gandhinagar payable at Gandhinagar.
3.4	Performance Security	Equivalent to 10 % of Contract Price in the form of Bank Guarantee (on approved format)/Demand Draft, in favour of NHAI Regional Office, Gandhinagar payable at Gandhinagar after issuance of Letter of Acceptance (LOA).
3.5	Last Time and date of submission of Bid	<u>29.06.2026 at 1200 hrs</u>
3.6	Time and date of opening of Technical Bid	<u>30.06.2026 at 1230 hrs</u>
3.7	Duration of Contract	Supply installation & testing shall be done within a period of 04 months and maintenance period will be 60 months (05 Years), which may be extended/curtailed by the Authority based on performance & mutual consent.
3.8	Cost of Bid	Rs. 25000/- (Twenty Five Thousand only) online in Authority's designated bank account of NHAI Regional Office, Gandhinagar.

4. Method of Bidding:-

4.1 **The bidder shall upload following documents: -**

- a) The Proof of online payment for Tender Fee.
- b) **Proof of Bid Security.**
- c) Power of Attorney for signing the bid.
- d) Joint bidding Agreement for JV, if any.
- e) Experience certificates must be issued by the **Central / State Government, PSU, or Municipal Corporation.**

4.2 **Additional information/ Guideline: -**

- a) Bidders shall upload copies of all documents listed above while submitting the bid online.
- b) Technical & Financial evaluation of bid and declaration of result shall be done based on the documents received online after confirmation of Tender Cost in NHAI Regional Office, Gandhinagar's account.
- c) Bidders shall be asked to submit originals of all documents listed above after declaration of bid evaluation result by Authority.

- d) All the Bidders (including individual or any of its Joint Venture Members) failing to submit the original documents required as per 4.1 above shall be unconditionally debarred from bidding in NHAI projects for a period of 1 year.
5. In case L-1 Bidder fails to submit the originals as per para 4.1, the bidding process shall be annulled and tenders shall be re-invited.
6. Authorized Signatory holding Power of Attorney or person executing/delegating such Power of Attorney shall only be the Digital Signatory. In other cases, the BID shall be considered **non – responsive**.
7. **Eligibility Criteria: -**
- a) **The Bidder shall be a Contractor** engaged in the supply, installation, commissioning, operation and maintenance of **Centralized Control & Monitoring Systems (CCMS) for Street light work**, and shall have valid ownership/authorization for the proposed CCMS hardware and software.
- b) **The Bidder shall have a minimum experience of three (03) years** in execution, operation and maintenance of CCMS for Street Lighting.
- c) **The Bidder shall have an average annual turnover of not less than ₹2.00 Crores** during the last three (03) financial years i.e. 2023-24, 2024-25 and 2025-26.
- d) **Experience certificates** in support of the above experience shall be attached with the Bid documents and shall be issued by **Central / State Government Departments, PSUs, or Municipal Corporations**.
8. **Earnest Money Deposit (EMD)/ BID Security: -**
- The **Bidder** shall furnish, as part of the bid, an **Earnest Money Deposit (EMD) / Bid Security** of the amount specified in the RFP document. The EMD / Bid Security shall be submitted in the form of a **Demand Draft / Bank Guarantee**, drawn in favour of **NHAI Regional Office, Gandhinagar**, payable at **Gandhinagar**, or through any other mode as permitted on the e-tendering portal. Any bid not accompanied by an acceptable EMD / Bid Security shall be treated as **non-responsive** and shall be rejected by NHAI. The EMD / Bid Security of unsuccessful bidders shall be returned as per applicable rules.
9. **Bid Validity: -**
- The bids shall be valid for 120 days from the date of opening as prescribed in 3.6 above.
8. **Bid Submission: -**
- The bidder shall be submitting Technical & Financial proposal/bid only in the online e-portal (<https://etenders.gov.in>) in accordance to the bidding document.
9. **Bid opening**
- The technical bids will be opened in the presence of bidder or their authorized representative, who wish to be present at the time of opening of bid, on due date. After scrutiny and evaluation of technical bids, NHAI shall inform those who are eligible for opening of financial bid and dates of opening of financial bid shall be intimated later only in e-portal (<https://etenders.gov.in>) to those bidders fulfilling the eligibility criteria and whose bids are considered responsive by the committee.
10. **Performance Security: -**
- The successful bidder will be required to submit the performance security for an amount specified in 3.4 in the form of Bank Guarantee (B.G.)/ Demand Draft in favour of NHAI Regional Office,

Gandhinagar within 7 days of issue of letter of acceptance (LOA). The performance security shall be refunded after successful completion of contract.

11. Award and signing of Contract: -

NHAI shall issue Letter of Acceptance to the lowest bidder, whose Technical and Financial bid have been found technically and financially acceptable. The successful bidder shall then submit performance security within 7 days and execute the Agreement with NHAI on non-judicial stamp paper of Rs.100/- (Rs. One Hundred Only).

12. Right to vary quantities: -

NHAI reserves the right, at any time during the contract period, to **increase or decrease the number of CCMS feeder panels / locations / units** to be supplied, installed, operated and maintained, as per the actual requirement of services, **without any change in the agreed rate(s), terms and conditions of the Contract.**

13. Right to reject any or all the quotations: -

NHAI reserves right to reject any or all the bids without assigning any reason and no claim of whatsoever nature will be entertained for such act.

SECTION-III
(TERMS & CONDITIONS)

1. The **Bidder/Contractor** shall have valid registration with the **GST Department** on the last date of submission of the Bid.
2. **The Bidder shall own or have valid authorization/arrangement** for the supply, installation, operation and maintenance of **Centralized Control & Monitoring System (CCMS) feeder panels**, including hardware, software, communication modules, and accessories conforming to the technical specifications prescribed in the RFP. Documentary proof of ownership/authorization shall be uploaded with the Bid.
3. **All CCMS feeder panels, controllers, energy meters and associated equipment** proposed under the Bid shall be new, unused, and of latest manufacture, and shall be in sound working condition at the time of installation.
4. In case any CCMS equipment, software platform, or communication service is provided through third-party arrangements, **valid authorization agreements / MOUs / licenses**, duly signed and legally valid, shall be submitted along with the Bid. Systems without valid authorization documents shall not be considered.
5. **All CCMS feeder panels and associated equipment shall be comprehensively insured**, wherever applicable, from a valid Insurance Company. The insurance shall be kept valid by the Contractor at its own cost during the entire contract period.
6. **NHAI shall not be responsible for any damage, theft, accident, cyber incident, data loss, or third-party claims** arising during installation, operation, or maintenance of the CCMS. The entire liability shall rest with the Contractor.
7. **In case** of any defect in the LED light, the cost shall be borne by Original Maintenance Contractor or NHAI ,as the case may .
8. The Bidder shall quote rates **inclusive of all costs**, including but not limited to supply, installation, testing, commissioning, operation, monitoring, maintenance, software licenses, server/cloud charges, SIM cards/data connectivity, batteries, spare parts, consumables, insurance, and all other incidental charges **except GST**. The CCMS shall be operated and maintained on a **24×7 basis throughout the year**, as per NHAI's operational requirements.
9. **The scope/number of CCMS feeder panels/locations may be increased or decreased by NHAI** based on actual requirements. The variation shall be payable accordingly as per quoted rate.
10. The Contractor shall deploy **qualified, trained, and experienced technical personnel** for installation, operation, monitoring, and maintenance of the CCMS. All personnel shall follow prescribed safety norms. Any cost related thereto shall be deemed included in the quoted rates.
11. In case of **failure, malfunction, communication breakdown, or non-availability of any CCMS feeder panel or software service**, the Contractor shall restore the system with maximum period of **48 hours** from the time of reporting/Intimation. Failure to restore services within the stipulated time shall attract penalties of **₹5,000/- (Rupees Five Thousand only)** per instance or as specified in the RFP, recoverable from bills or Performance Security.

12. The CCMS shall be used exclusively for **monitoring, control, and automation of street lighting systems** on **National Highways / Associated infrastructure** under the jurisdiction of PIU-Ahmedabad or as directed by NHAI.
13. The Bidder shall quote rates **clearly in words and figures**. In case of discrepancy, rates quoted in words shall prevail.
14. **Performance shall be measured** based on service levels as prescribed in the RFP. Monthly performance review and reconciliation shall be carried out.
15. The Contractor shall submit **monthly invoices certified by the Engineer-in-Charge** for release of payment.
16. **No escalation or revision** in quoted rates shall be allowed during the entire contract period, except as expressly provided in the RFP.
17. The Contractor shall commence and complete the installation work within **the period specified in the Letter of Acceptance (LOA)**.
18. Evaluation of bids shall be carried out on **L1 basis**, as specified in the RFP.
19. The successful Bidder shall submit all required statutory documents and execute the **Contract Agreement** on non-judicial stamp paper of Rs.100/- at its own cost.
20. The Contract shall initially be valid for **Five (05) Years**, including comprehensive Operation & Maintenance, subject to satisfactory performance.
21. In case of persistent failure to perform, NHAI shall have the right to **suspend or debar** the Contractor from participating in future tenders of MoRTH/NHAI/NHIDCL for a specified period.
22. NHAI reserves the right to **reject any or all bids** without assigning any reason.
23. The Contract may be terminated by either party by giving **one (01) months' notice**, without any compensation, as per termination provisions of the RFP
24. Bids received after the due date and time shall be **summarily rejected**.
25. Corrigendum / amendments, if any, shall be published only on the **NHAI website(<https://www.nhai.gov.in>)/ e-Tender portal (<https://etenders.gov.in>)**.
26. NHAI reserves the right to **modify, cancel, or annul** the tender process at any stage without assigning any reason.
27. The Contractor shall ensure **uninterrupted availability of all consumables, spares, accessories, software support, communication services (SIM/data connectivity), batteries, and replacement components** required for continuous and reliable operation of the **Centralized Control & Monitoring System (CCMS)** throughout the contract period.
28. The Bidder shall quote rates as specified in the **Financial Bid (BOQ)** — monthly / per-machine basis, as applicable.

29. NHAI shall have **no obligation**:

- (a) Towards payment of wages, benefits, or statutory dues of Contractor's personnel.
- (b) For losses due to negligence, accidents, or statutory violations by the Contractor.
- (c) For theft, fire, or misconduct by Contractor's staff.
- (d) For disputes between Contractor and its employees.

30. All disputes shall be subject to Ahmedabad jurisdiction only.

31. For Force Majeure, please refer Annexure- A1

32. For Arbitration – A2

33. For the indemnification clause, please refer Annexure- A3

Specifications

S. No.	Features	Description
1	Operational Features	<ul style="list-style-type: none">a) The CCMS unit shall be capable of switching ON and OFF the street lights of an individual switching point and/or networked switching points from the Central Control Station, either instantaneously or automatically throughout the year based on sunrise and sunset timings, depending on the geographical location of the switching point.b) The CCMS unit shall be a GPRS and/or GSM-based (with unique IMEI number) proven technology remote street lighting monitoring system with in-built protection against short circuit, over-voltage, surge, and anti-theft/tamper alerts.c) The CCMS unit shall be provided with a battery backup of minimum 12 hours.d) The CCMS shall have optically isolated communication ports/RS 485 for secure data transfer and protection against unauthorized access.e) The CCMS unit panel shall have a minimum load carrying capacity of 80 Ampere per phase under all operating conditions. The incoming MCCB rating shall not be less than 125 Ampere and shall be suitable for safe and reliable operation of the system.f) Each outgoing feeder/stage of the CCMS unit shall be provided with two separate 63 Ampere MCCBs. In the event of any fault or short circuit in a particular stage, only the respective MCCB of the affected stage shall trip, while all other healthy stages shall continue operating without complete shutdown of the street lighting system.g) The CCMS unit shall have mandatory integration of LDR to ensure automatic sensor-based ON/OFF operation of street lights during GPRS/GSM network failure, thereby maintaining uninterrupted lighting operation.h) The rating of the CCMS unit shall be minimum twice the connected lighting load.<ul style="list-style-type: none">i)j) The CCMS unit shall be provided with auto-reset / plunger switch facility to restore the incomer/outgoing MCB automatically in auto mode.k) The CCMS unit shall have an independent hardware timer to ensure operation of street lights in case of network failure or any technical glitch.l) The CCMS unit shall have an independent hardware timer to ensure operation of street lights in case of network failure or any technical glitch.

S. No.	Features	Description
2	Energy Measurement & Communication Features	<p>a) Each CCMS feeder panel shall be provided with a 3-Phase, 4-Wire Energy Meter, ISI marked, LT AC, CT operated, static, DLMS compliant (Category C1)/Modbus, with CT ratio 100/5A or 200/5A, having Accuracy Class 1.0S for both active and reactive energy, with Optical Port and RS-232/RS-485 communication port, along with compatible software, to be installed inside the CCMS panel.</p> <p>b) The CCMS control panel shall include, but not be limited to, MCB, MCCB, contactors, relays, transformer, controller, SPD, CCMS Panel Size 850*750*250 Stand Mounted and associated accessories.</p> <p>c) The CCMS unit shall be capable of recording and providing the following parameters at programmable time intervals, switching-point wise and/or networked switching points: – Phase-wise Voltage – Phase-wise Current – Power Factor – Active Power (kW) – Apparent Power (kVA) – Cumulative Energy (kWh) – Cumulative Energy (kVAh)</p> <p>d) Recording of number of glowing hours of LED luminaires connected with each switch controller.</p> <p>e) Recording of power supply interruption duration.</p> <p>f) Provision of special emergency ON/OFF operation through wireless control.</p> <p>g) Benchmarking and threshold setting capability for generation of SMS alerts for: – Phase-wise over/under current – Phase-wise over/under voltage – MCB trip – Theft / tamper alert – Group failure of lights – No output supply.</p> <p>h) Alert SMS shall be forwarded to minimum five (05) mobile numbers.</p> <p>i) Provision for future integration of smart solutions such as environmental sensors, Wi-Fi hotspots, etc.</p> <p>j) Class 1S accuracy energy meter, with type test report from NABL accredited laboratory, shall be provided. The energy meter shall be calibrated annually.</p> <p>k) In case of an inbuilt energy meter, it shall be DLMS/Modbus compliant, and shall have Class 1S accuracy for active energy (kWh) measurement. The integrated system shall measure, record and communicate all required electrical parameters including kWh, Voltage, Current, kW, kVA, kVAR, Power Factor and Frequency, and shall meet all data logging, reporting and functional requirements specified in the tender without any relaxation of performance criteria.</p>
3	Web-Based Central Control & Monitoring System	<p>a) CCMS shall have a web-based central server to receive, store, and process data from all CCMS units with time stamping.</p> <p>b) The system shall allow individual and group-wise control and monitoring of switching points.</p> <p>c) The system shall record glowing and non-glowing hours of LED luminaires for each switching point.</p> <p>d) Display of power failure details feeder-wise and luminaire-wise.</p>

S. No.	Features	Description
		<ul style="list-style-type: none"> e) Registration and display of all fault conditions such as over-voltage, over-current, power failure, contactor failure, door open alarm, etc., with real-time alerts. f) Generation of daily automated reports including energy consumption, energy savings, lamp failure, actual operating hours, and system uptime (%). g) Role-based user access control with capability to handle large-scale deployments. h) GIS / Google Map based visualization of all CCMS switching points. i) Remote configuration of CCMS units including ON/OFF timings, automation response time, system reset, and status monitoring. j) Minimum data update interval of 15 minutes, programmable up to 1 minute. k) GPS-based time synchronization of controllers and central server. l) Secure data storage for minimum 24 months online and archived data for entire contract period. m) Cyber security provisions including jamming/hacking detection, self-healing mechanism, and fail-safe operation ensuring default ON/OFF operation during system failure.

Declaration

I/We hereby certify that the above-mentioned machines are **owned / validly leased**, are in sound working condition, and fully comply with the technical specifications and eligibility requirements of the RFP.

2.7 Force Majeure

2.7.1 Definition

(a) For the purposes of this Contract, “**Force Majeure**” means an event which is beyond the reasonable control of a Party, and which makes a Party’s performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to:

- war
- riots
- civil disorder
- earthquake
- fire
- explosion
- storm
- flood or other adverse weather conditions
- strikes, lockouts or other industrial action (*except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent*)
- confiscation or any other action by government agencies

(b) Force Majeure shall not include:

(i) any event which is caused by the negligence or intentional action of a Party or such Party’s sub-consultants, agents or employees; nor

(ii) any event which a diligent Party could reasonably have been expected to:

(A) take into account at the time of the conclusion of this Contract, and

(B) avoid or overcome in the carrying out of its obligations hereunder.

(c) Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

2.7.2 No Breach of Contract

The failure of a Party to fulfil any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care, and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

2.7.3 Measures to be Taken

(a) A Party affected by an event of Force Majeure shall take all reasonable measures to remove such Party’s inability to fulfil its obligations hereunder with a minimum of delay.

(b) A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any event not later than **fourteen (14) days** following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.

(c) The Parties shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

2.7.4 Extension of Time

Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

2.7.5 Payments

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultants shall be entitled to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Services after the end of such period.

2.7.6 Consultation

Not later than **thirty (30) days** after the Consultants, as the result of an event of Force Majeure, have become unable to perform a material portion of the Services, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.

ARBITRATION

1 Dispute Resolution

1.1 In the event of any dispute, difference or controversy of whatever nature howsoever arising under or out of or in relation to this Agreement (including its interpretation) between the Parties, and so notified in writing by either Party to the other Party (the "Dispute") shall, in the first instance, be attempted to be resolved amicably.

1.2 The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non-privileged records, information and data pertaining to any Dispute.

2 Escalation of Dispute:

In the event of any Dispute(s) between the Parties remains unresolved within 30 (thirty) days of the notice in writing referred to in Clause 25.1.1 or such longer period as may be mutually agreed by the Parties, either Party may refer the Dispute to Arbitration or Conciliation in accordance with the provisions of Clause 25.3

3 Arbitration, Conciliation and Adjudication of Dispute

3.1 Any Dispute between the Parties the sum of which is of value less than Rupees 10 Crores which remains unresolved between the Parties through the mechanisms available/ prescribed in the Agreement, which has not been agreed upon/ reached settlement by the Parties, will be referred either to SAROD, (a Society registered under Society's Act, 1860 vide Registration no. S/RS/SW1049/2013) duly represented by Government/ Authority and National Highways Builders Federation (NHBF) or to India International Arbitration Centre ("IIAC").

3.1.1 The appointment of Tribunal, Code of conduct for Arbitrators and fees and expenses of SAROD/IIAC and the Arbitral Tribunal shall also be governed by the Rules of SAROD as amended from time to time or the India International Arbitration Centre Act 2019 and the regulations framed thereunder as amended from time to time. The rules of SAROD are placed at Annex-I.

3.1.2 Subject to the provisions of The Limitation Act, 1963, as amended from time to time, Arbitration may be commenced during or after the Contract Period, provided that the obligations of Authority and the Contractor shall not be altered by reason of the Arbitration being conducted during the Contract Period.

3.1.3 The venue of Arbitration shall be New Delhi, or a place selected by governing body of SAROD or IIAC, as the case may be, and the language for all documents and communications between the Parties shall be English.

3.1.4 Each Party shall bear its own costs and expenses incurred in connection with the arbitral proceedings.

3.1.5 The arbitrators shall make a reasoned award (the "Award"). Any Award made in any arbitration held pursuant to this Article / shall be final and binding on the Parties as from the date it is made, and the Contractor and the Authority agree and undertake to carry out such Award without delay.

3.1.6 The Contractor and the Authority agree that the Award may be enforced against the Contractor and/or the Authority, as the case may be, and their respective assets wherever situated.

3.2 Any Dispute between the Parties, the sum of which is of value Rupees 10 Crores or above, which remains unresolved between the Parties through the mechanisms available or prescribed in the Agreement, which has not been agreed upon/ reached settlement by the Parties, will be resolved by Conciliation as per the Arbitration and Conciliation Act, 1996.

3.3 The Contractor and the Authority agree that the Award or a settlement agreement may be enforced against the Contractor and/or the Authority, as the case may be, and their respective assets wherever situated.

3.4 This Agreement and the rights and obligations of the Parties shall remain in full force and effect, pending the Award in any Arbitration hereunder. Further the Parties unconditionally acknowledge and agree that notwithstanding any Dispute between them, each Party shall proceed with the performance of its respective obligations, pending resolution of Dispute in accordance with this Article.

3.5 This provision relating to Conciliation under the Arbitration and Conciliation Act, 1996 shall cease to apply once the provisions relating to substitution of conciliation process by mediation are notified under Mediation Act, 2023, Thereafter "Conciliation" herein be referred to as Mediation as per the provisions of the Mediation Act 2023.

3.6 Notwithstanding anything to the contrary contained in the Agreement, it is agreed that any Dispute between the Parties the sum of which is of value equal to or above Rupees 10 Crores shall not be referred to Arbitration. It is further agreed that all declaratory disputes or non-monetary disputes shall not be referred to Arbitration. For the avoidance of doubt, it is clarified that nothing herein shall prevent the Parties from seeking resolution of such Disputes through civil courts.

LIABILITY AND INDEMNITY

36.1 General indemnity

36.1.1 The Contractor shall indemnify, defend, save and hold harmless the Authority and its officers, servants, agents, Government Instrumentalities and Government owned and/or controlled entities/enterprises, (the “**Authority Indemnified Persons**”) against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature, whether arising out of any breach by the Contractor of any of its obligations under this Agreement or any related agreement or on account of any defect or deficiency in the provision of services by the Contractor to the Authority or to any User, or from any negligence of the Contractor under contract or tort or on any other ground whatsoever, **except to the extent that any such suits, proceedings, actions, demands and claims have arisen due to any negligent act or omission, or breach or default of this Agreement on the part of the Authority Indemnified Persons.**

36.1.2 The Authority shall indemnify, defend, save and hold harmless the Contractor against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature arising out of (a) defect in title and/or the rights of the Authority in the land comprised in the Site, and/or (b) breach by the Authority of any of its obligations under this Agreement or any related agreement, which materially and adversely affect the performance by the Contractor of its obligations under this Agreement, save and except that where any such claim, suit, proceeding, action, and/or demand has arisen due to a negligent act or omission, or breach of any of its obligations under any provision of this Agreement or any related agreement, and/or breach of its statutory duty on the part of the Contractor, its subsidiaries, affiliates, contractors, servants or agents, the same shall be the liability of the Contractor .

36.2 Indemnity by the Contractor

36.2.1 Without limiting the generality of Clause 36.1, the Contractor shall fully indemnify, hold harmless and defend the Authority and the Authority Indemnified Persons from and against any and all loss and/or damages arising out of or with respect to:

- (a) Failure of the Contractor to comply with Applicable Laws and Applicable Permits;
- (b) Payment of taxes required to be made by the Contractor in respect of the income or other taxes of the Contractor 's contractors, suppliers and representatives; or
- (c) Non-payment of amounts due as a result of materials or services furnished to the Contractor or any of its contractors which are payable by the Contractor or any of its contractors.

36.2.2 Without limiting the generality of the provisions of this clause, the Contractor shall fully indemnify, hold harmless and defend the Authority Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the Authority Indemnified Persons may hereafter suffer, or pay by reason of any demands, claims, suits or proceedings arising out of claims of infringement of any domestic or foreign patent rights, copyrights or other intellectual property, proprietary or confidentiality rights with respect to any materials, information, design or process used by the Contractor or by the Contractor 's Contractors in performing the Contractor 's obligations or in any way incorporated in or related to the Project. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Contractor shall make

every reasonable effort, by giving a satisfactory bond or otherwise, to secure the revocation or suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Project, or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the Contractor shall promptly make every reasonable effort to secure for the Authority a license, at no cost to the Authority, authorizing continued use of the infringing work. If the Contractor is unable to secure such license within a reasonable time, the Contractor shall, at its own expense, and without impairing the Specifications and Standards, either replace the affected work, or part or process thereof with non-infringing work or part or process, or modify the same so that it becomes non-infringing.

36.3 Notice and contest of claims

In the event that either Party receives a claim or demand from a third party in respect of which it is entitled to the benefit of an indemnity under this clause (the “**Indemnified Party**”), it shall notify the other Party (the “**Indemnifying Party**”) within 15 (fifteen) days of receipt of the claim or demand and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim or demand, it may conduct the proceedings in the name of the Indemnified Party, subject to the Indemnified Party being secured against any costs involved, to its reasonable satisfaction.

36.4 Defence of claims

36.4.1 The Indemnified Party shall have the right, but not the obligation, to contest, defend and litigate any claim, action, suit or proceeding by any third party alleged or asserted against such Party in respect of, resulting from, related to or arising out of any matter for which it is entitled to be indemnified hereunder, and reasonable costs and expenses thereof shall be indemnified by the Indemnifying Party. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party in respect of loss to the full extent provided by this clause, the Indemnifying Party shall be entitled, at its option, to assume and control the defence of such claim, action, suit or proceeding, liabilities, payments and obligations at its expense and through the counsel of its choice; provided it gives prompt notice of its intention to do so to the Indemnified Party and reimburses the Indemnified Party for the reasonable cost and expenses incurred by the Indemnified Party prior to the assumption by the Indemnifying Party of such defence.

The Indemnified Party shall not be entitled to settle or compromise any claim, demand, action, suit or proceeding without the prior written consent of the Indemnifying Party, unless the Indemnifying Party provides such security to the Indemnified Party as shall be reasonably required by the Indemnified Party to secure the loss to be indemnified hereunder to the extent so compromised or settled.

36.4.2 If the Indemnifying Party has exercised its rights under Clause 36.3, the Indemnified Party shall not be entitled to settle or compromise any claim, action, suit or proceeding without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

36.4.3 If the Indemnifying Party exercises its rights under Clause 36.3, the Indemnified Party shall nevertheless have the right to employ its own counsel, and such counsel may participate in such action, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party, when and as incurred, unless:

- (a) The employment of counsel by such party has been authorized in writing by the Indemnifying Party;

- (b) The Indemnified Party shall have reasonably concluded that there may be a conflict of interest between the Indemnifying Party and the Indemnified Party in the conduct of the defence of such action;
- (c) The Indemnifying Party shall not, in fact, have employed independent counsel reasonably satisfactory to the Indemnified Party, to assume the defence of such action and shall have been so notified by the Indemnified Party; or
- (d) The Indemnified Party shall have reasonably concluded and specifically notified the Indemnifying Party either:
 - (i) that there may be specific defences available to it which are different from or additional to those available to the Indemnifying Party; or
 - (ii) that such claim, action, suit or proceeding involves or could have a material adverse effect upon it beyond the scope of this Agreement;

Provided that if Sub-clauses (b), (c) or (d) of this Clause 36.4.3 shall be applicable, the counsel for the Indemnified Party shall have the right to direct the defence of such claim, demand, action, suit or proceeding on behalf of the Indemnified Party, and the reasonable fees and disbursements of such counsel shall constitute legal or other expenses hereunder.

36.5 No consequential claims

Notwithstanding anything to the contrary contained in this clause, the indemnities herein provided shall not include any claim or recovery in respect of any cost, expense, loss or damage of an indirect, incidental or consequential nature, including loss of profit, except as expressly provided in this Agreement.

36.6 Survival on Termination

The provisions of this clause shall survive Termination.
