NOTE:

1. Tenderers are required to refer to the Instructions to Tenderers for e-Tenders
2. These conditions will be applicable for Tenders published on or after the date of uploading of new/revised conditions.
3. **Revised Indian Railway Standard (IRS) Conditions of Contract-September 2022 Version 1.0"** with latest updations will be applicable for the tenders.

1.0 Acceptance of the Offers:

The Controller of Stores is not bound to accept the lowest or any offer nor to assign any reason for doing so and reserve to himself the right to accept any offer in respect of the whole or any portion of the item specified in the tender and contractor shall be required to supply at the rate quoted.

- 1.1. Railways reserves the right to cancel the tender for full or part quantity tendered without assigning any reason. The rates quoted by the tenderers for the full quantity would be taken as valid.

2.0 Splitting of tendered quantity:

2.1 Case of no prior decision to split the order -

- 2.1.1 Normally full order should be placed on L-1 firm. However, if after due processing, it is discovered that the quantity to be ordered is more than what L-1 alone is capable of supplying and there was no prior decision to split the quantities, then this aspect should be recorded in TC Minutes / acceptance in direct acceptance cases. The quantity being finally ordered will be distributed among the other bidders in a manner that will be fair, transparent and equitable. The manner of splitting will take specific note of the following parameters

- i) Past Performance of bidders
- ii) Capacity of bidders
- iii) Delivery requirements in the tender
- iv) Quantity under procurement
- v) Vital / Safety nature of the items.

- 2.1.2 In the absence of any differentiation on the above parameters, the manner of splitting will be based on the stipulation given in para 2.2.2. below.

2.2 Case of pre-decided split ordering:

- 2.2.1 Railway may decide in advance to have more than one source of supply on account of delivery requirement in tender, past performance and capability of bidders, quantity under procurement and vital/safety nature of items.
- 2.2.2 Following provisions (2.2.2(A) to 2.6) shall be applicable in all such cases of pre-decided split ordering –
- A. The Purchaser reserves the right to distribute the procurable quantity on one or more of the eligible tenderers. Zone of consideration of such eligible tenderers will be the right of the Purchaser. The zone of consideration will be a dynamic mix of inter-se position of firms, supply performance of the firms, quantity being procured, critically of and lead time of supply of the item, number of established suppliers, their capacity etc.
- B. Whenever such splitting of the procurable quantity is made, the quantity distribution will depend (in an inverse manner) upon the differential of rates quoted by the tenderers (other aspects i.e. adequate capacity-cum-capability, satisfactory past performance of the tenderers, outstanding orders load for the Railway making the procurement, quoted delivery schedule vis -a -vis the delivery schedule incorporated in the tender enquiry etc., being same/similar) in the manner detailed in the table below:

Price differential between L1 and L2	Quantity distribution ratio between L1 and L2
Upto 3%	60 : 40
More than 3% and upto 5%	65:35
More than 5%	At least 65% on the L1 tenderer. For the quantity to be ordered on the L2 tenderer, TC/TAA shall decide.

In the phrase 'differential rates quoted by the tenderer', the quoted rate would mean

- (i) When no price negotiation has been called for, the original rates as obtained at the time of tender opening. However, the rate of the highest eligible tenderer within the zone of consideration has to be per se reasonable.
- (ii) When price negotiation has been called for, the reference L1 rate for assessment of ration will be the original rate of L1 firm (suitable for bulk quantity) – say firm "A" - as obtained at the time of tender opening.

B (l) If splitting of quantity is required to be done by ordering on tenderers higher than the L2 tenderer, then the quantity distribution proportion amongst the tenderers will be decided by transparent/logical/equity based extrapolation of the model as indicated in above Para.

2.2.3 In cases of pre-decided splitting if the purchaser decides not to split the ordered quantity, the reason for the same should be recorded in TC minutes/acceptance in direct acceptance cases.

2.5 For cases where the Rlys/PUs had entered into ToT/JV agreements, the following clause should be stipulated as tender conditions.

As the Rly. has entered into ToT/JV agreement with.....no.of firms, they reserve the right to place orders on all such ToT/JV agreement partners. However, for ratio/proportion of quantity distribution among such agreement partners, conditions as detailed in Para 2.2.2 (b) shall apply with the exception that the aspect of 'per-se reasonability' will not be applicable.

2.6 In the cases of inadequate Capacity-cum-capability, dissatisfactory past performance, large quantity of outstanding orders (liquidation of which will take very long time) etc., the Purchaser shall have the right to distribute the procurable quantity amongst tenderers with due consideration to these constraints and in such a manner that would ensure timely supply of material in requisite quantity to meet the needs of operation, maintenance, safety etc., of the Railways, regardless of inter-se-ranking of the tenderers and in a fair and transparent manner with due conformity to the Principles of Natural Justice and Equity.

2.7 Quantity Option Clause:

For the tenders valuing Rs.1.5Cr and above. The purchaser shall be entitled to vary the order quantity upto(+) 30% anytime within the delivery period(including extended delivery period) on the same terms and conditions. The increase in quantity with respect to the tender quantity can be done even at the time of ordering and the tenderer shall be bound to accept the quantity so ordered on the basis of his original offer. The purchaser shall be entitled to exercise (+) 30% option clause in one or more than one instalment as long as the total variation in quantity does not exceed the limit of 30% of ordered quantity.

3 Procurement from Approved Sources :

3.1. Approved by RDSO/CLW/BLW/RCF/ICF/MCF/CORE etc as available on UVAM.

3.1.1. Wherever necessary, as per policy of procurement, bulk purchases will be made only from those firms who are appearing as Approved Vendors of RDSO/CLW/BLW/RCF/ICF/MCF/CORE etc. as available on UVAM only. The status of the firm will be reckoned as on the date of tender opening.

(b) Where there are not more than three Indian Suppliers categorized as Approved Vendors for a particular item, developmental vendors can be considered for placement of bulk order without any quantity restrictions. However, while considering such vendors, factors including past performance, capacity, delivery requirements quantity under procurement, nature of item, outstanding order load etc. Shall be considered in a transparent manner, subject to rates being reasonable. Quantity allocation among eligible vendors shall be based on pre decided tender criteria and Such orders shall be treated as bulk orders.

A supplier or bidder shall be considered to be from India if

- i) The entity is incorporated in India, or
- ii) A majority of its shareholding or effective control of the entity is exercised from India, or
- iii) more than 50% of the value of the item being supplied has been added in India.

3.1.4 The firms who are not appearing in UVAM as Approved/Developmental Vendors of RDSO/CLW/BLW/RCF/ICF/MCF/CORE etc will not be considered for ordering.

However, such firms willing to supply the tendered item, are advised to approach the concerned Vendor Approving agency for getting their name registered as approved/developmental vendor.

4.1 Purchase / Price Preference Clause:

The purchaser reserves the option to give a purchase / price preference to the offers from Public Sector units and /or from Small Scale/Cottage Industries Units, over those from other firms, in accordance with the policies of the Govt. from time-to-time. The price preference above cannot
