| Item Category       | <p>Superstructure of Medium Living Shelter MLS of size 10.44 M x 6.10 M x 4.75 M height with 1.50 M enclosed verandah in front and rear side under job No 2478 as per list att , Cement 43 Grade OPC packed in HDPE bag each 50 kg wt conform to IS 8112-1989 , Coarse Sand free from vegetation , Coarse aggregate 20mm graded , Coarse aggregate 40mm graded , Coarse Aggregate 40-63mm graded , Stone for RR Masonary less than 6 inch , Water Proofing Compound conform to IS 2645-2003 , Mild Steel Bars of size 6 to 8mm dia conforming to IS 432 , Mild Steel Bars of size 10mm and above dia conforming to IS 432 , MS Binding Wire , Ceramic tiles of size 600mm x 600 mm for floor thickness between 9 to 10 mm thick , White Cement confirming to IS 8042 1989 , Peg set of six fitted with galvanised screws along the internal surface of the walls in the rooms , Curtain arrangement Drapery and rod made of 25 mm dia and 1600 mm long pre coated MS pipe with fancy type ends , Cement 43 Grade OPC packed in HDPE bag each 50 kg wt conform to IS 8112 -1989 , Coarse sand free from vegetation , Coarse aggregate 20 mm graded , Coarse aggregate 40 mm graded , Stone Boulder 9 Inch to 12 Inch , PVC Pipes 75mm each 3 Mtr long , Ceiling Rose three terminal , PVC Flexible wire copper conductor multi stranded 0.0016 oblique76 , PVC Flexible Conduit pipe 15 mm dia , PVC Round per Square Block , Exhaust Fan 230 Volts 200 mm sweep alongwith louvers and complete fittings , Fire extinguisher of 1 kg of dry power type conforming to IS-13849 along with its accessories , Distribution box 8 Way double door SPN 240 volts copper bus bar and neutral link earthing stud conforming to IS 13032 and IS 8623 double door type , MCB SPN 240 Volts 63 Amps , MCB SP 6 to 32 Amps , Cable PVC insulated electric cable heavy duty 1100</p> |

volts grade multi standard copper conductor of size 2.5 sqmm single core FRLS , PVC tape 19mm wide 5 m long , Cable PVC insulated electric cable heavy duty 1100 volts grade multi standard copper conductor of size 4 sqmm single core FRLS , PVC casing capping 1 inch long Medium Grade snow white , PVC casing capping 3 oblique 4 Inch long Medium Grade snow white , Switch Piano 5 Amp 230 Volts Flush type one way snow white Make Anchor and SSK and Cona , Screw full thread 6 x 19 mm ISI Marked, 200 Nos Pkt. , PVC switch board snow white size 7 inch x 4inch for sockets and switches , PVC switch board snow white size 8 inch x 10 inch for main switches DB , PVC L bend and T junction joint for PVC casing and capping confirming to IS 3419 Part 3 , Switch socket combination snow white multipurpose 2 in 1, 15 Amp 230 Volts , Switch socket combination snow white 5 Amp 230 Volts , Service bracket 40mm dia GI Tubing medium grade 1.5 Mtr Long , Service cable PVC insulated aluminium conductor, 1100 volt grade Heavy duty served with inner sheathing of PVC tap , Cable PVC insulated electric cable heavy duty 1100 volts grade multi standard copper conductor of size 1.5 sqmm single core FRLS c , LED Tube light fittings 15W 230V box type 4 feet with CRCA body Pre coated white and Prewired for LED tube complete , LED Bulk head fitting high pressure die cast aluminum front cover with glass cover with specially design gasket with LED lamp 10 watts , Earthing plate 600 x 600 x 6 mm Galvanised steel suitable for GI strip fittings drilled with 2 nos holes for 6 mm dia near one side. , CI Earth Pit Cover of size 300 x 300 x 6 mm with Angle iron frame of size 20x20mm, 3 mm thick with MS frame. , Funnel fitted with 20 mm diameter GI Pipe 1.5 m Long , GI wire 4 mm diameter for earthing , Charcoal , Salt normal , Funnel fitted with 20 mm diameter GI Pipe 1.5 m Long. Pipe , Air termination single pointed aluminium rod 12 mm dia and 300 mm long. , Testing point terminal block made of gun metal and phosphorus bronze size 75 x 75 x 25 mm drilled and screwed including 3 Nos 8 mm dia 25 mm long hexagonal head screw , Aluminium strips 25 x 3.0 mm , Galvanized Iron strip 32 x 6 mm , Insulating PVC block 75 x 75 x 30 mm with insulating clamp nut and bolt , Individual standalone plastic body smoke alarm with adequate provision for fixing on wall ceiling roof , Individual standalone plastic body heat alarm with adequate provision for fixing on wall ceiling roof , Fire ball extinguisher of 1.3 kg wt with suitable provision for wall mounting and capable of self activating on contact with flames. The unit to be maintenance free, non toxic , Double Sleeping Bunk DSB complete all as per tech specification along with Foam cum coir Mattress , Steel bed side locker of size 1000mm x1520mm x450mm as per tech specification , Study chair of size length 56 cm height 82 cm and width 56

|                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

|                                                             | cm lacquered finish with arm seat and back cushion velvet upholstery , Study Table of size 4 ft x 2 ft wooden top on round tube structure with three drawers unit as per photograph of sample attached. , Looking mirror of selected quality frameless of size 600 x 450 x 5 mm , Water Dispenser of 230 V 500 Watts without refrigerator with normal cold and heating capacity of 5 lts per hour with storage compartment and auto shut off facility , Portable indoor type High quality Kero Heater metal body ignites type of continuous heating duration min 8 hrs and above with capacity 4 ltrs above |
| Auto Extension                                              | If any seller submits the offer price during last 30 minutes of RA end time, then RA will be automatically extended for next 30 minutes from the last participation time. There is no limit on such RA extension cycle.                                                                                                                                                                                                                                                                                                                                                                                     |
| Minimum Average Annual Turnover of the bidder (For 3 Years) | 9 Lakh (s)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| MSE Exemption for Turnover                                  | Yes   Complete                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Startup Exemption for Turnover                              | Yes   Complete                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

1. If the bidder is a Micro or Small Enterprise as per latest definitions under MSME rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.

2. If the bidder is a Startup, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to their meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.

**Participation by the bidder in RA process would be considered as their consent for extension in offer validity by 30 days by the date of RA initiation.**

**Please refer to Bid document of [GEM/2026/B/7496314](#) for technical specification, terms & conditions and other details.**

[This Bid is also governed by the General Terms and Conditions](#)

In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

**---Thank You---**
