The tender will be received at the office of the **Mine Manager, MOIL Limited, Dongri Buzurg Mine** up to 15.00 hours.. All the limited tenders will be opened at 16.30 hours on 08.06.2026 in the presence such of those tenders

f their authorized representative, as desire to be present at the schedule time.

- 1.The work is estimated to cost **Rs. 55,200.00 (GST Extra)** approximately.
- 2.The tenders shall be submitted in the prescribed form.
- 3.The works are required to the complete within **30 Days** from the date of the work order, allowing a mobilization period of 5 days or from the date of handing over of the site, by the mine manager, whichever is later.
- 4.The competent authority is accepting officer, hereinafter referred to such as, for the purpose of this contract.
5. Tender documents, consisting of plan, specifications, schedule(s) of quantities of the various classes of works to be done, the conditions of contract and other necessary documents are attached with the tender.
- 6.Tenders are advised to inspect and examine the site and surroundings and satisfy themselves before their tenders, as to the nature of the ground/dump and sub soil (so far as is practicable), the form and nature of the site, the means, of asses to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risk, contingencies and other circumstance which may influence or affect their tender. Tenders shall be deemed to have fully knowledge of site. Whether he respects it or not and no extra charges consequent upon any misunderstanding or otherwise shall be allowed.
- 7.Submission of the tender by a tenderer shall imply that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant items etc. If any, will be issued to him by the company/corporation and local conditions and other factor bearings on the execution of the work.

8.ISSUE OF THE STORES: Normally no materials shall be supplied from the stores, but in the case of the same are supplied by the company, at its discretion, from any of the available materials in the

store, the same shall at actual cost +25% administration and handling charges, unless specifically specified otherwise.

9. The tenderer should quote in figures as well as in words rate (s) tendered. The amount for each item should be worked out the requisite total given. Special care should be taken to write rates in figures as well as in words and the amount in figures only in such a way that any ambiguous interpretations is not possible. The total amount shall be written both in figure and in words. In case of figures, the word Rs should be written before the figure of rupees and the word paisa after the decimal figures e.g. Rs. 2.15 and in case of words, the words rupees should precede and the words should be written at the end. Unless the rate is in whole rupees and followed by the words only. It should invariable be upto two places of decimal. No overwriting shall be allowed. However in case of corrections, the amount in work and figures should be cut and rewritten, duly countersigned in each case.

In case of any discrepancy in rates and amount, the tendered unit rates only shall be taken into account for final calculation for the ranking of the tenderer.

10. The tenderer shall submit the tender in one part only, incorporating the price bid too.

11. For Tender value below Rs. 1 Lac Registered vendors are exempted from EMD clause.

12. In case of item rate tenders, rate quoted shall be considered further, rebate/ discount if any may be included in tender document and will be considered for comparative statement, corrections, if any shall be duly authenticated by countersignature. In case of any discrepancy of discount/ rebate, the % age offered or amounts calculated thereof. (In words/Figure), whichever is higher, shall be taken into account for finalization of the tender.

13. On acceptance of tender earnest money will be treated as part of the security deposit.

14. MOIL limited does not bind itself to accept the lowest tender and reserves. The right to accept/ rejects and / or split any or all tenders, without assigning any reasons whatsoever.

15. The tenderers are advised to submit quotations based on the terms and conditions and specifications contained in the tender document and not to stipulate any conditions of their own. Any tenderer doing so shall be at his own volition and may render the tender liable for rejections.

16. Late or delayed tenders i.e. tenders received after the stipulated time shall not be entertained irrespective of reasons.

17. SECURITY DEPOSIT :

a) SD shall be deducted @ 5% from the bill of the contractor.

b) The security deposit shall be held by the company until six month after the completion of the work and shall be refundable to the contractor.

c) Without prejudice to its right of indemnity for all statutory and financial liabilities. The company reserves the right to forfeit in full or in part, the security deposit. In the event of non-performance / non-compliance with any provisions of the contract by the contractor, other than force majeure reasons.

18. The company shall return the earnest money where applicable to every unsuccessful tenderer only after final decision on the award of the tender has been taken.

19. A tenderer shall submit the tender satisfying each and every condition laid down in the notice, failing which, the tender will be liable, to rejected. The entire column found blank, the T.P.C. may seek clarification from the tenderer.

20.

i) The company reserves the right of accepting the tender either in whole or part and the tenderer shall be bound to execute the same at his quoted rates.

ii) The company also reserves the right to relax the qualifying requirements in the deserving cases.

21. Any tax livable in respect of this contract shall be payable by the contractor and the company will not entertain any claim whatsoever in this respect.

22. Every page of the contract document shall be signed by the tenderer.

23. On completion of the work all rubbish, brickbats etc, shall be removed by the contractors at their own expenses and the site cleaned are handed over to the company.

NON - SCHEDULE ITEM OF WORKS:

24. During the execution of the works in the event of the certain changes of alteration of the drawing or specifications or certain items being added or deleted from the original schedule, it shall be binding

on the contractor to execute these works as per directions at such rates, as may be computed and fixed by the company.

25. Any conditional tender is liable to the rejected summarily.

26. VALIDITY OF OFFER :

Each tender shall keep his offer open for a period of at least 30 days from the date of the tender and in the event of the tenderer withdrawing the offer before the aforesaid period, for any reason, whatsoever, the earnest money deposited by the tenderer may be forfeited.

27. SUB LETTING:

The contractor shall not sublet or assign to any party or parties, the whole or any portion of the work, under the contract.

28. The successful tenderer shall arrange to obtain the approximate license of the competent authority under the contract labour (Regulation & Abolition) act 1970 within fifteen days of the placement to the work order.

29. Canvassing in connection with the tender, in any form is strictly prohibited and the tenders by such contractors, who resort to canvassing, will be liable to rejection.

30. Requisite deduction shall be made from the bills towards income tax at the rate of 20% or as per the rates, as applicable from time to time.

31. The rate must inclusive of all taxes payable against the state Government/ Central Government statutory notification, wherever applicable.

32. No escalation will be payable, as a result of state Govt./Central Govt. notification or any other account during the currency of the contract. Unless specifically provided for, in the contract.

33. FAILURE OF CONTRACTOR:

If the contractor fails to complete the works and as result, the order is cancelled, the amount due to him on account of work executed by him. If payable, shall be paid to him only after due recoveries, as per the provision of contract and only after alternative arrangement to complete the work have been made, at the price risk of the contractor.

34. FORCE MAJEURE CLAUSE:

a) The successful bidder will advise, in the event of his having to resort to this clause, by registered letter, duly certified by the statutory authorities, the beginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such force major conditions. In the event of delay lasting over one month, if arising out of force major the company will reserve the right to cancel and the provision governing termination of contract will apply.

b) For delays arising out of force major, the bidder will not claim extension in completion date for period exceeding the period of delay, attributable to the causes of force major and neither the company nor the bidder shall be liable to pay extra costs, provided it is mutually established that force major conditions did actually exist.

35. TERMINATION OF CONTRACT:

MOIL limited reserves the right to terminate the contract, in full.

35.1.1 The contractor defaults in processing with the works due to lack of diligence and /or in complying with any of the terms & conditions stipulate in the contract.

35.1.2 The contract fails to complete the works, as per the scheduled contract, before stipulated date of completion.

35.1.3. The contractor or Firm or any of the partners represented by the contractor, in the subject contract is adjudged as insolvent by concerned authority.

35.1.4. The contractor assigns/transfer/ sub-let the entire work or a portion thereof without the approval of the accepting authority.

35.1.5. The contract offers to give or agrees to give, in the person of the company's service of gift or any other consideration, as inducement or reward for seeking benefits in the contract.

35.2.1 Termination of contract in full or part, the officer-in-charge shall determine the amount, if any that is recoverable from the company, for the completion of work, together with penalties and loss or damages, suffered by the company as a result of the above termination.

35.2.2. The amount so worked out by the officer-in-charge, shall be recovered from Money's due to contractor on any account and if such money are not sufficient the Contractor shall be called to pay the same within 30 days.

35.2.3. If the contractor fails to pay to the company, the required sum within the Stipulated period of 30 days, the officer-in-charge shall have the right to sill part of the entire materials/ plant/equipment/ implements/temporary building etc. Belonging to the contractor and apply the

proceeds of the same thereof towards the satisfaction of any sum due from the contractor. Any sum from the above proceeds in excess of the amount due to the Company and any unsold material/ plant/ equipment/ temporary building etc. shall be repaid to the contractor, provided always that if cost or anticipated cost of the completion by the company of the work or part is less than the amount which the contractor should have been paid had he completed the work.

35.2.4 TERMINATION OF CONTRACT ON DEATH:

If the contractor is an individual or a proprietary dies or if the contractor is partnership concern and one of the partners dies, then unless the accepting authority is satisfied that the legal representatives of the individual contractor or the proprietor of the proprietary concern and in case of partnership, the surviving partners are capable of completing the contract. The accepting authority shall be entitled to cancel the contract, as to its incomplete part, without the company in any way being liable to payment of any compensation to the estate of the deceased contractor and/ or to the surviving partners.

In event of such cancellation, the company shall not hold the estate of the deceased contractor and/ or the surviving partners of the firm liable in damages for not completing the contract.

36.FORE CLOSURE:

If any point of time, after the acceptance of the tender, the company decides to abandon or reduce the scope of the contract work for any reasons whatsoever, the officer-in-charge shall give notice in writing to that effect to the contractor and the contractor have no claims to any payment, on account of compensation or on account of profit advantage, that he would have derived by way of execution of work, but could not do so, because of fore closure.

However the contractor shall be paid at contract rates, full amount for works executed at site and a reasonable amount as certified by the officer-in-charge, for the items mentioned hereunder, which could not utilized on the work to the full extend because of fore closure.

36.1.Any expenditure incurred on preliminary site work e.g. temporary access roads, accommodations, water storage tank etc.

36.2.The company shall decide whether to take over any of the contractor's materials or any part there of whose apply was accepted at site, provided however that the company shall take over only such materials or part thereof, as the contractor.

does not desire to retain. The cost of such materials that shall be paid to the contractor shall take into account purchase price, cost of transportation.

36.3.For contractor materials, not retained by the company reasonable cost of transporting such materials from site to permanent stores of the contractor or to his other works, whichever is less shall be paid to him.

36.4.If any materials supplied by the company to the contractor are rendered surplus the same shall be return by the contractor to the company at rates, at which they were originally issued and a reasonable cost on account of transportation from the site to the stores of the company.

37. ARBITRATION:

Except where it is provided otherwise any dispute of difference arising out of or in connection with the work or any operation covered by the contractor and any dispute or difference arising out of, or in connection with the agreement, entered into between the company and contractor. Including any dispute or difference relating to the interpretation of the agreement or clause thereof, shall be refereed to the sole arbitration of a person, appointed by chairman cum managing director of the company and the provisions of the the Arbitration Act, 1940 and the rules there under and any amendments thereto, from time to time, shall apply no. objections shall be taken on the ground that the arbitrator, so appointed is an employee of the company and that in the course of his duties he had to deal with the matter to which the agreement or the reference or that in the course of his duties. He had dealt or expressed view on all or any of the matter covered by the reference.

The award of the arbitrator shall be binding on all the parties to the contract. The arbitrator shall be competent to decide whether any matter of dispute or difference referred to him, falls within the preview of the arbitration, as provided for above.

38.CONULTANTS:

a) A firm which has been engaged by the company to provide goods or work for the project and any of its affiliates will be disqualified from providing consultancy services of the same project. Conversely a firm hired to provide consulting services for the preparation or implementation of a project and any of its affiliates, will be disqualified from subsequently providing goods or works or services related to the initial assignment of the same project.

b) The consultant or any of their affiliates will not be hired for any assignment which by its nature, any be in conflict with another assignment of the consultants.

39. SUB-VENDER:

The contract agreement will specify major items of supply or service for which the contractor purposes to engage sub-vender. The contractor may from time to time purpose any addition or deletion from such list and will submit the proposal in this regard to the officer-in-charge. Such obligations, duties and responsibilities under the contract.

40. DEVIATION:

Deviation sought by the bidder whether they are commercial or technical must only be given within the schedule prescribed for them. Any will full by the bidder to camouflage the deviation by giving them in the covering letter or in any other documents then the prescribed schedule may render the bid itself non-responsive.

41. SUB-CONTRACTING:

If a contractor submits his bid qualifies and does not get the contract because of his being not the lowest he will be prohibited from working as sub-contractor for a contractor who is executing the contract.

42. This notice of tender shall form a part of the agreement between MOIL and the successful contractor for the purpose of his contract.

43. In usual course, no machineries shall be provided to the contractor by the company. However, in emergent situation the required machineries may be provided to the contractor for such period as considered essential by the company and the hiring charges for the same would be recovered, on the rates determined by the competent authority.

44. STATUTORY RULES & REGULATIONS:

The contractor shall be solely responsible for compliance with all labour laws. Payment of Wages Act, Employees Provident Fund, Act, Workmen Compensation Act, Works Contract Act, Sale Tax Act, Minimum Wages Act Industrial Disputes Act 1947, Contract labours (Regulation & Abolition) Act 1970, Mines Act 1952, Mines Rules 1955, Metaliferous Mines Regulation 1961, Explosives Act. Turnover Tax Act (where ever applicable) and other relevant Central/State Govt. rules etc. The contractor shall take full responsibility, for stoppage of work as result of non-compliance to above rules and violations pointed by the enforcing agencies, thereof. The contractor shall, as his own cost and time, rectify all the defects/violations pointed out by such statutory authorities. Such stoppage of work shall not be taken as a valid reason for not achieving the targets and the company shall be free to impose penalty, stipulated, in the tender document. The contractor shall defend indemnify and hold the company harmless from any liability or penalty which may be imposed by the Central/ State or local Authorities, by the reasons of any assorted violation, by the contractor and also from all claims. Sutes or proceeding that may be brought against the company.

45. LIQUIDATED DAMAGES:-

a) In case of delay in completion of the contract, Liquidated Damages (L.D.) may be levied at the rate of ½ (Half) % of the contract price per week of delay subject to a maximum of 10% of the contract price for the balance unexecuted quantity.

b) However, Competent Authority may at his discretion, allow further extension of time, with or without levying of L.D. based on the case to case basis.

c) The Competent Authority if not satisfied with the progress of the work & in the event of failure of the Contractor to

Recoup the delays, in the mutually agreed time frame, L.D. terminate the Contract & in such an event, The Company shall be entitled to recover L.D. up to 10% of the Contract value & forfeit the Security Deposit made.

By the Contractor, besides getting the work completed by other means at risk and cost to the Contractor.

46. The contractor shall furnish the company complete information as may be Required for completion and summation of various return/ reports to different Authorities from time to time.

47. The contractor shall submit the list of equipment which will be used by contractor for execution of works.

48. The contractor shall carefully read terms & conditions and the same shall be Signed by him or his authorized representative, in token of acceptance of the same.

49. PAYMENT OF BILLS:

a) The running bills shall be submitted by the contractor normally at monthly Intervals for the work executed as certified by the officer-in-charge.

b) The contractor shall submit the final bills within three months of the completion of works and no further claims shall be made by the contractor after submission of the final bill. Any such additional bill shall be deemed to have been waived or extinguished.

50. Payment of Tax is primarily the responsibility of the seller/contractor and will not be paid unless it is clearly shown on the quotation as payable extra. Any change in taxation during the tenure of contract will be as per applicable statute. Under GST regime, registration under GST is made mandatory. You shall mention your GST id's (In case your supply is from more than one location, you have to mention all relevant GST's) in the quotation. Offers received from sellers/contractors without GST (Provisional or Permanent) Id's are liable to be rejected in case they fall within the preview of GST. Timely Compliance of GST Provisions and filling of GST returns is the responsibility of the bidder. Any non-compliance may result in withholding of bills partly or fully until it is reflected in Form of GSTR-2A.

51. FINANCIAL REQUIREMENT:

The tenderer should submit the following, along with the tender.

i) Income Tax return filed Copies for the last 3 years.
