22. Performance Security

22.1 The upfront **E-Bank Guarantee, along with** auto renewal of Bank Guarantee, against Performance Security shall be taken for a period as mentioned below-

(a) Works having Performance Guarantee of 10 Years for Road and Bridge Works - Construction Period+10 Years + 3 Months

22.2 The rates that are found to be unworkable by the Employer: - Performance Security to be deposited at the rate given below:

- a) If rates are below 10% and up to 20%, the additional performance security shall be equal to twice the value equal to the percentage below 10% of probable amount of contract (PAC).
- b) If rates are below 20% - The performance security shall be as per (a) and three times the value below 20% of probable amount of contract (PAC).

The following mathematical method should be adopted for calculating the amount of Additional Performance Guarantee as above:

(a) If the Estimated Cost (PAC) of the tender is Rs. 100.00 lakh and the successful tenderer have quoted rate 27% below, the calculation of Additional Performance Guarantee will be as follows: -

Amount of Additional Performance Guarantee shall be calculated

as per (a) = (Probable Amount of Contract x2 - Rates below ISSR beyond 10%) = 100x 2x (20%-10%) = 20.00 Lakh

As per (b)

= Probable Amount of Contract x3 (Rates below ISSR beyond 20%) =100 x 3 x (27-20) = 21.00 lakhs

Thus total 41 lakhs (20+21) additional performance guarantee deposited. Signing of Contract Agreement

- 23.1 The successful bidder shall have to furnish Performance Security and Additional Performance Security, if any, and sign the contract agreement within 15 days of issue of LOA.
- 23.2 The signing of contract agreement shall be reckoned as intimation to commencement of work. No separate work order shall be issued by the Employer to the contractor for commencement of work.
- 23.3 In the event of failure of the successful bidder to submit Performance Security and Additional Performance Security, if any or sign the Contract Agreement, his EMD shall stand forfeited without prejudice to the right of the employer for taking any other action against the bidder.

24. Corrupt Practices

The Employer requires that bidders observe the highest standard of ethics during the procurement and execution of contracts. In pursuance of this policy, the Employer:

- i. May reject the bid for award if it determines that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract; and
- ii. May debar the bidder declaring ineligible, either indefinitely or for a stated period of time, to participate in bids, if it at any time determines that the bidder has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for, or in executing, a contract. For the purposes

of this provision, the terms set forth above are defined as follows:

- a. "Corrupt Practice" means the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party;
- b. "Fraudulent Practice" means any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
