Scope of Work

1. The successful bidder shall provide the renewal of licences for **2 (Two) Nos. of Sophos XGS 126 Next-Generation Firewall (NGFW)** appliances for a period of **three (03) years**.
2. The licences shall be genuine, valid, and sourced through the OEM or an OEM-authorized partner/reseller.
3. The bidder shall ensure that the renewed licences are fully compatible with the existing Sophos XGS 126 firewall appliances installed at Doordarshan Kendra.
4. The licence renewal shall include all standard subscription services offered by the OEM under the selected licence package, including:
 - o Firmware and software updates.
 - o Security signature and threat intelligence updates.
 - o Technical support from the OEM.
 - o Access to Sophos Central (where applicable).
 - o All security features covered under the subscribed licence.
5. The bidder shall activate the licences and ensure seamless continuity of the existing subscription without any interruption to firewall services.
6. The bidder shall provide OEM-issued licence activation certificates/confirmation and licence details immediately after successful activation.
7. The bidder shall coordinate with the OEM to resolve any issues related to licence activation, registration, migration, or subscription during the activation process at no additional cost to the purchaser.
8. The delivery shall be deemed complete only after successful activation of both licences and verification by the consignee.
9. The bidder shall provide all necessary documentation, including invoice, OEM licence confirmation, activation details, and any other documents required for acceptance and payment.
