207-North Avenue, New Delhi.**

## **GENERAL CONDITIONS**

1. The work shall be carried out as per CPWD specifications for Electrical works and as per the directions of Engineer-in-Charge.
2. The contractor must study the specifications and conditions carefully before e-quotation.
3. Before e-quotation, the agency shall inspect the site of work and shall fully acquaint himself about the conditions with regard to site including local conditions, traffic restrictions, obstructions and other conditions for satisfactory execution of the work. He should take into consideration all such factors and contingencies, while quoting his rates. No claim whatsoever shall be entertained by the Department on this account.
4. Unless otherwise provided in the schedule of quantities, the rates quoted by the contractor shall be all inclusive. The rate quoted by the agency shall be inclusive of all taxes, duties & levies.
5. The rates for all items of work, unless clearly specified otherwise, shall include the cost of all labour, materials and other inputs involved in the execution of the items.
6. The contractor through his engineer shall ensure quality construction in a planned and time bound manner. Any sub-standard material/work beyond set out tolerance limits shall be summarily rejected by the Engineer-in-Charge.
7. The samples of the materials shall be got approved from the Engineer-in-Charge before execution of the work.
8. The contractor or his authorised representative should always be available at the site of work to take instruction from department officers, and ensure proper execution of work.
9. The contractor shall take all necessary precautions to prevent any nuisance or inconvenience to the owners, tenants of adjacent properties and to the public in general and to prevent any damage to such properties and any pollution of smoke, streams and waterways. He shall make good at his cost and to the satisfaction of the Engineer-in-Charge, any damage to property whatsoever caused by the execution of the work or by traffic brought thereon by the contractor. Utmost care shall be taken to keep the noise level to the minimum so that no disturbance as far as possible is caused to the occupants/users of adjoining buildings.

## **SPECIAL CONDITIONS**

In the VVIP residential & non-residential buildings, the work cannot be suspended even for one day after starting the same. The Engineer-in-Charge shall get the work executed at risk & cost of the contractor after one day notice through site order book in such circumstances.

1. Due to restriction of driving slow moving vehicles/hand driven rickshaws in NDMC areas, the contractor has to make his own arrangement of motorised transportation & nothing extra shall be paid on this account. Legal action shall be taken against violation.
2. Due to security reasons, no land/space will be provided to contractor for store/fabrication/labour huts or any other purpose. Contractor has to make his own arrangement. Nothing extra shall be paid on this account.
3. The contractor shall execute the different items simultaneously, as far as possible so that minimum breakage and repairs are involved.
4. The work shall be carried out in such a manner so as not to interfere or effect or disturb other works, being executed by other agencies, if any. He shall arrange his work with that of the other in an acceptable and coordinated manner and shall perform it, in proper sequence to the complete satisfaction of the Engineer-in-

Charge. Any damage done by the contractor to any existing work shall be made good by him at his own cost. Otherwise the same shall be got done at his risk and cost.

5. Contractor may be required to execute the work under foul condition and nothing extra for executing the work in foul position/condition is payable.
6. The contractor shall be responsible to arrange at his own cost all necessary tools and plants required for execution of this work. Tools, plants and machinery required shall be brought to the site as and when required by the Engineer-in-Charge & same shall not be removed without the consent of the Engineer-in-Charge.
7. No payment will be made to the contractor for damage caused by rains, or other natural calamity during the execution of the works and no such claim on this account will be entertained unless specified otherwise.
8. The malba/garbage generated at site due to construction activities shall be removed from the site shall be disposed off by the contractor in suitable place as directed by the Engineer-in-Charge.
9. The contractor has to work in restricted area and in restricted time due to security reasons. He shall be bound by the instructions of security staff and Engineer-in-Charge in this respect.
10. No T & P shall be issued by the department.
11. Period of completion of work – 10 Days.

**Assistant Engineer (E),  
SD-4, DED-201, CPWD,  
207-North Avenue, New Delhi**
