FOR ACCEPTING OFFICER

SCHEDULE 'A' PART-II
(SCHEDULE OF CREDIT)

NAME OF WORK:- PROVN OF AC WIRING FOR AC AT NP-88, NP-87 BLDG AND REPLACEMENT OF SUBMAIN WIRING WITH COPPER WIRING AT AF STN TEZPUR .

NOTE:

1	The contractor shall take proper precaution for demolition /dismantling work. If any damage caused due to dismantling/demolition to the existing structure, the contractor shall make good the same at this own cost without any extra cost to the Govt.
2	All dismantling / taking down materials (except those included in Schedule of Credit and those re-used in the work) shall be returned to MES store without any extra cost to the Government. However useless materials as per the opinion of Engineer-in-Charge shall be removed outside MD land or thrown away at low laying area as directed by Engineer-in-Charge without any extra cost to the Government.
3	The rates inserted by the department under column 5 is the minimum recovery rate which shall be final and binding.
4	Unless specifically mentioned in Schedule 'A', the Contractor shall not be permitted to incorporate the demolished materials in the work under any circumstances.
5	The contractor shall be allowed to take away the demolished materials only after deduction of credit amount from the Contractors payment due with prior permission of Engineer-in-Charge.
6	The quantities mentioned under Col-4 are for rough guidance only. However the quantities mentioned under this column will be measured as per actual quantity obtained from demolition/ dismantling against respective items of Schedule 'A'. No claim whatsoever due to any variation in quantities shall be entertained.
