

Amendment-1

Technical specs of Supply & Erection of Various Voltage class Transmission lines.

Following changes as mentioned below shall be implemented in existing specs as listed below as per CE(Proj). ON no. CE(Pro)/II/T-4/1216. Dt.24.02.2021.

Sr. No.	Description	Specs no.	Rev
1	Supply & Erection work of 66 kV Multi circuit Transmission lines	GETCO/E/TS/SEL054/	R2
2	Supply & Erection work of 132 kV Transmission lines	GETCO/E/TS/SEL054	R2
3	Supply & Erection work of 132 kV Transmission lines (without conductor)	GETCO/E/TS/SEL054	R1
4	Supply & Erection work of 220 kV Transmission lines with AL59 conductor	GETCO/E/TS/SEL054 /AL59	R1
5	Supply & Erection work of 220 kV Transmission lines	GETCO/E/TS/SEL054	R2
6	Supply & Erection work of 220 kV Transmission lines (without conductor)	GETCO/E/TS/SEL054	R3
7	Supply & Erection work of 220 kV Multi circuit Transmission lines	GETCO/E/TS/SEL054	R2
8	Supply & Erection work of 400 kV Transmission lines	GETCO/E/TS/SEL054	R2
9	Supply & Erection work of 400 kV Transmission lines with twin AL59 conductor	GETCO/E/TS/SEL054 /AL59	R1
10	Supply & Erection work of 400 kV Transmission lines with Quadruple Moose conductor	GETCO/E/TS/SEL054-A/QM	R2
11	Supply & Erection work of 400 kV Transmission lines (without conductor)	GETCO/E/TS/SEL054-A	R2
12	Supply & Erection work of 400 kV twin AL59 conductor Transmission lines but without conductor (with fired wedge connector)	GETCO/E/TS/SEL054/Twin AL59 W/O Cond./R0/April. 2020	R0
