GENERAL CONDITIONS

1. The contractors are advised to get acquainted with the proposed work and its site and also study the Architectural Drawings, specification and additional conditions carefully before tendering. No claim of any sort shall be entertained on account of any site conditions and ignorance of specifications and additional conditions.

2. The work shall be carried out as per CPWD specifications 2025 (Horticulture and landscape) with upto date correction slips unless otherwise specified in the nomenclature of individual items or in the specification and additional conditions, where specification are silent, the decision of Engineer-in-charge shall be final and binding on contractors.

3. The rates quoted by the contractor shall be taken as net and nothing extra shall be paid on any account i.e. royalty, cartage, GST and stacking at required place etc.

4. The rates for different items of work shall apply for all heights and depths leads and lifts unless otherwise specified in the agreement or specifications applicable to the agreement.

5. The rate for all items of work, shall unless otherwise clearly specified include cost of all labour, material and other inputs involved in the execution of the items.

6. The quantities of each item shall not exceed beyond the deviation limit mentioned in schedule-F without prior permission of the Engineer-in-charge.

7. Wherever work is specified to be done or material procured through specialized agencies, their names shall be got approved well in advance from Engineer-in-charge. Failure to do so shall not justify delay in execution of work. It is suggested that immediately after award of work, contractor should negotiate with concerned specialized agencies and send their names for approval to Engineer-in-charge. Any material procured without prior approval of Engineer-in-charge in writing is liable to be rejected. Engineer-in-charge reserved his right to get the materials tested in laboratories of his choice before final acceptance. Non-Standard material shall not be accepted.

8. The contractor shall be required to produce samples of all materials sufficiently in advance to obtain approval of the Engineer-in-charge. Subsequently the materials to be used in the actual execution of the work shall strictly conform to the quality of samples approved. In case of variation, such materials shall be liable to rejection.

9. The contractor shall be responsible for the protection of sanitary, water supply and drainage fittings and other fittings and fixtures against pilferage's and breakage during the period of installation and thereafter until the building is handed over.

10. Any damage done by the contractor to any existing work structure/services during the course of execution of the work shall be made good by him at his own cost.
11. No payment shall be made to the contractor for any damage caused by rain, snow fall, floods or any other natural causes whatsoever during the execution of work. The damage caused to work shall have to be made good by the contractor at his own cost and no claim on this accounts shall be entertained.

12. The contractor shall be fully responsible for the safe custody of the material issued or brought by him to site for doing the work.

13. Statutory deduction on a/c of GST (as decided by the Government), Income Tax & Surcharge as applicable shall be made from the gross amount of the bill.

14. Condition as per Office Memorandum No. DG/SE/CM/CON/Misc./02 dated 16.03.2016

(i) The contractor shall provide mask to every worker working on the construction site and involved in loading, unloading and carriage of construction material and construction debris to prevent inhalation of dust particles.

(ii) The contractor shall provide all medical help, investigation and treatment to the workers involved in the construction of building and carry of construction material and debris relatable to dust emission.

(iii) The contractor shall ensure that C&D waste is transported to the C & D waste site only and due record shall be maintained by the contractor.

(iv) The contractor shall carry out on–road-inspection for black smoke generating machinery. The contractor shall use cleaner fuel.

(v) The contractor shall ensure that the construction material is covered by tarpaulin. The contractor shall take all other precaution to ensure that no dust particles are permitted to pollute air quality as a result of such storage.

Additional Conditions

1. Since this work is related with different VVIP Bungalows / Buildings under Horticulture Division-I, the work cannot be suspended even for one day after starting the work. The Engineer-in-charge have liberty to forfeit earnest money & performance guarantee deposited by the agency, after one day notice through site order book, on the eve of suspension of work.

2. The contractor will supply the material on the basis of requirement placed by the Officer-In-Charge. The contractor shall have to adhere to this programe failing which he shall be held responsible for any inconvenience caused to the occupants. In order to ensure that the work is carried out according to the programe drawn, the contractor shall ensure adequate supply of the material and employ required labour strength for execution of work. In case contractor fails to arrange/employ adequate labour and stick to the programe, the Engineer-in-charge may supplement the labour, at the cost of the contractor after issue of one day's notice to the contractor. No claims for ideal labour on any account shall be entertained.

3. No hindrance shall be caused to traffic during the execution of the work by storing materials on the road.

12. Due to restriction on driving slow moving vehicles/hand driven rickshaws in NDMC areas, the contractor has to make his own arrangement of motorized transportation & nothing extra shall be paid on this account. Legal action shall be taken against violation.

13. The dismantling wherever required shall be done in a manner so that no other portion of the building or its fixtures are damaged. If any damage are done to the building it shall be made good by the contractor at his own cost and no claim what so ever shall be entertained on this account.

14. The sites where the work is to be executed on any day shall be got approved from the representatives of the Engineer-in-charge at the site of work. No work shall be carried out in any room site without the approval of the representative of the Engineer-in-charge at the site of work. Such works carried out without the approvals of the representative of the Engineer-in-charge shall be rejected and will not be measured and paid for.

15. In order that the contractor may take daily instructions, a register issued by Division office will be maintained at the Enquiry Office. An authorized representative of the contractor will, therefore, have to visit the Enquiry Office daily and note down the instruction in the register. This register shall also be duly numbered and shall only be issued through Engineer-in-charge of work.

16. The contractor will not have any claim in case of any delay by the Engineer-in-Charge in removal of trees or shifting, removing of telegraph, telephone or electric lines (overhead or underground), water and sewer lines and other structure etc., if any which may come in the way of the work. However, suitable extension of time can be granted to cover such delay.

17. The contractor shall have to make his own arrangement for housing facilities for staff and labour away from site and shall have to transport the labour to and from between site and labour camp at his own cost.

18. All Sub-Standard material if brought by contractor shall be rejected and shall have to be removed by him at his cost from the site immediately and this office will not be responsible for the safe custody of the same. And Engineer-in-charge shall have powers to get it disposed in case of failure by contractor at the risk and cost of contractor.

19. The Sub-standard work shall be rejected outright and shall not be measured and no claim what so ever, shall be entertained in this regard. The decision of the Engineer-in-charge shall be final and binding in this regard.

20. Nothing extra shall be paid to the contractor for excess consumption of materials in case of the materials arranged by him.

21. The Dy. Director (Hort.) has got the right to accept or reject the tender as whole or part of it and no claims what so ever will be entertained on this account.

22. The contractor and/or his authorized representative should inspect the site order book every day and got the compliance noted by the representative of Engineer-in-charge/ Engineer in charge.

23. No T & P shall be supplied by the Department.

24. Due to Security reason the contractor shall have to arrange time table of labour according to the security staff and Engineer-in-charge instructions. The contractor should see the site before tendering.
