AE(E)-II

GENERAL TERMS & CONDITIONS FOR EI WORKS

1. The work shall be executed as per CPWD General Specifications for Electrical Works (Part-I– Internal) 2023, (Part-II–External) 2023, Part–IV (Substation 2013), Part–V (Wet Riser and Sprinkler System) 2020, Part – VI (Fire Detection and Alarm System, Part–VII (DG set) 2013 Amendment (05.11.2024), and Part-III Lift & Escalators-2003, Amendment No.1 relevant IS and BIS standards.
2. **Rates:** The rates quoted by the tenderer for electrical component items shall be firm and inclusive of all taxes (including works contract taxes), duties and levies and all charges for packing forwarding, insurance, freight and delivery installation, testing and commissioning etc. at site including temporary constructional storage, risks, overhead charges general liabilities/obligations and clearance from local authorities. However, the fee for these inspections shall be borne by the department.
3. **Completeness of Electrical work:** All hardware items such as screws, thimbles, G.I. wires etc. which are essentially required for completing an Electrical BOQ item as per specifications will be deemed to be included in the item even when the same have not been specifically mentioned. All hardware materials such as nuts/ bolts/ screws/ washers etc. to be used in the electrical scheduled items shall be zinc/cadmium plated iron. Nothing extra on account of same shall be paid.
4. For items/equipment requiring initial inspection at manufacturer's works' the contractor will intimate the date of testing of equipment at the manufacturer's works before dispatch. The department reserves the right to inspect the fabrication job at factory and the successful tenderer has to make the arrangement for the same. The successful tenderer shall give sufficient advance notice regarding the dates proposed for such tests/inspection to the department's representative(s) to facilitate his presence during testing/fabrication. The Engineer-in-charge at his discretion may waive off such testing/fabrication. The cost of the Engineer's visit to the factory will be borne by the Department. Also equipment may be inspected at the Manufacture's premises, before dispatch to the site by the contractor.
5. **Storage and custody of electrical installation materials:** The room may be used for storage of sundry materials and erection equipment if available or else the agency has to make his own arrangement. No separate storage accommodation shall be provided by the department. Watch and ward of the stores and their safe custody shall be the responsibility of the contractor till the final taking over of the installation by the department/ Client.
6. The quoted rates should be inclusive of all taxes etc. i.e. GST and nothing extra will be paid.
7. No, Central/State sales Tax/ Contract Tax/Excise duty etc. shall be separately paid by the department. The rates tendered should be inclusive all taxes and duties. Statutory deductions at source shall be made while releasing payment through running/final bills as applicable. A certificate specifying the rate and amount of deduction shall however issued by the department.
8. The entire installation shall be at the risk and responsibility of the contractor until these are tested and handed over to the department. The watch & ward is the responsibility of the contractor till handing over.
9. Nothing extra shall be paid for inter connections with thimbles/Wires/Tapes strips etc. used on the work.
