Sl. No.	NIT No.	Name of work & Location	Estimated Cost put to bid	Earnest Money	Period of Completion	Last date and time of submission of bid, copy of receipt of deposition of original EMD, and other documents as specified in the press notice.	Time & date of opening of bid
1	2	3	4	5	6	7	8
1	09/EE/PHCWD/AE-III/2026-27	Provision of Sofas, Brass Parliament Logo & Console (Room No. LS-26) for Hon'ble Speaker, Lok Sabha and Honour Board in Room No. RS-27 at Parliament House, New Delhi.	₹ 4,33,375/-	₹ 8,668/-	25 Days	Up to 3:00 PM on 22.09.2026	At 3:30 PM on 22.09.2026

Note:-

- (i) The contractor shall inspect the site, sample for work to be executed and other security restrictions and issues for carryout work before quoting the rate with prior appointment with AE & JE. Nothing extra shall be paid on this account.
- (i) The work is required to be executed in high security area/ VVIP area in strict time schedule. Only those applicants who are capable and willing to execute the above work at such locations and within strict time schedule should apply.
 1. The intending bidder must read the terms and conditions of CPWD-6 carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.
 2. Information and Instructions for bidders posted on website shall form part of bid document.
 3. The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website <https://etender.cpwd.gov.in> or www.cpwd.gov.in free of cost.
 4. But the bid can only be submitted after **deposition of original EMD either in the office of Executive Engineer** inviting bids or division office of any Executive Engineer, CPWD within the period of bid submission and **uploading the mandatory scanned documents such as Insurance Surety Bonds, Account Payee Demand draft or Banker's Cheque or/and Fixed Deposit Receipts or/and Bank Guarantee including e-Bank Guarantee** (for balance amount as prescribed) from any of the Commercial Bank towards EMD in favour of **Executive Engineer, Parliament House Civil Works Division, CPWD, New Delhi**, receipt for deposition of original EMD to division office of any Executive Engineer (including NIT issuing EE), CPWD and other documents as specified.
 5. Those contractor who are not registered or have not updated their profile on the website mentioned above, are required to get registered / update their profile beforehand. The necessary

Correction = NIL, Insertion = NIL, Overwriting = NIL, Deletion = NIL

training materials including the videos with step-to-step process are available on download section of <https://etender.cpwd.gov.in>.

6. The intending bidder must have valid Class-III digital signature certificate with encryption key (combo type) to perform any operations / transactions on the e-tendering portal / website and the bidder should download and install the eMsigner on their system as per instructions available on download section of <https://etender.cpwd.gov.in>.
7. On opening date, the contractor can login and see the bid opening process. After opening of bids he will receive the competitor bid sheets.
8. Contractor can upload documents in the form of JPG format and PDF format.
9. Contractor must ensure to quote rate in the prescribed column(s) meant for quoting rate in figures appears in yellow colour and the moment rate is entered, it turns sky blue.

In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as “0”. Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as “0” (ZERO).

However, If a tenderer quotes nil rates against each item in item rate tender or does not quote any percentage above/below on the total amount of the tender or any section / sub head in item rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.

10. **The contractors are advised to get acquainted with the proposed work and its site by visiting the site. The Work is to be carried out as per approved Sample, specifications and special conditions in security area of Parliament House Complex, in time bound manner. No claim of any sort shall be entertained on account of ignorance of any site conditions, specifications and special conditions.**

New Delhi**

CPWD-6 FOR e-Tendering

1. Item rate bids are invited on behalf of President of India online item bids from approved and eligible contractors of CPWD Civil/Furniture/Composite/Building Category for the following work :-

Name of Work :- Provision of Sofas, Brass Parliament Logo & Console (Room No. LS-26) for Hon'ble Speaker, Lok Sabha and Honour Board in Room No. RS-27 at Parliament House, New Delhi.

NIT No. : 09/EE/PHCWD/AE-III/2026-27

Time Allowed : 25 Days

The enlistment of the contractors should be valid on the last date of submission of bids.

In case the last date of submission of bid is extended, the enlistment of contractor should be valid on the original date of submission of bids.

- 1.1 The work is estimated to cost **₹3,33,375/-**. This estimate, however, is given merely as a rough guide.
2. Agreement shall be drawn with the successful bidders on prescribed Form No. CPWD 8 (or other Standard Form as mentioned) which is available as a Govt. of India Publication and also available on website www.cpwd.gov.in. Bidders shall quote his rates as per various terms and conditions of the said form which will form part of the agreement.
3. **The time allowed for carrying out the work will be 25 days from the date of start as defined in schedule 'F' or from the first date of handing over of the site, whichever is later, in accordance with the phasing, if any, indicated in the bid documents.**
4. **The site for the work is available.**
5. The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents except Standard General Conditions of Contract Form can be seen on website <https://etender.cpwd.gov.in> or www.cpwd.gov.in free of cost.
6. After submission of the bid the contractor can re-submit revised bid any number of times but before last time and date of submission of bid as Notified.
7. While submitting the revised bid, contractor can revise the rate of one or more item(s) any number of times (he need not re-enter rate of all the items) but before last time and date of submission of bid as notified.
8. ~~When bids are invited in three stage system and if it is desired to submit revised financial bid then it shall be mandatory to submit revised financial bid. If not submitted then the bid submitted earlier shall become invalid.~~
9. Earnest Money **₹8,668/-** shall be submitted in the form of Insurance Surety Bonds, Account Payee Demand Draft, Fixed Deposit Receipt, Banker's Cheque or Bank Guarantee including e- Bank Guarantee (for balance amount as prescribed) from any of the Commercial Banks (drawn in favour of **Executive Engineer, Parliament House Civil Works Division, CPWD, New Delhi**) shall be scanned and uploaded on the e-Tendering website within the period of bid submission. **The original EMD should be deposited either in the office of Executive Engineer inviting bids or division office of any Executive Engineer,**

Correction = NIL, Insertion = NIL, Overwriting = NIL, Deletion = NIL

CPWD within the period of bid submission. The EMD receiving Executive Engineer, Parliament House Civil Works Division, CPWD, New Delhi (including NIT issuing EE) shall issue a receipt of deposition of earnest money deposit to the bidder in a prescribed format (enclosed) uploaded by tender inviting EE in the NIT.

A part of earnest money is acceptable in the form of bank guarantee also. In such case, minimum 50% of earnest money or Rs. 20 lac, whichever is less, shall have to be deposited in shape prescribed above, and balance may be deposited in shape of Bank Guarantee including e- Bank Guarantee of any Commercial bank having validity for a period of 90 days for single bid works and 180 days for two bid system or more from the last date of receipt of bids which is to be scanned and uploaded by the intending bidders.

The earnest money given by all the tenderers except the lowest tenderer shall be refunded immediately after the expiry of stipulated bid validity period or immediately after acceptance of the successful bidder, whichever is earlier. However, in case of two/ three bid system, earnest money deposit of bidders unsuccessful during technical bid evaluation etc. should be returned within 01 Month of declaration of result of technical bid evaluation.

Copy of Enlistment Order and certificate of work experience and other documents as specified in the notice inviting e- tender shall be scanned and uploaded on the e-Tendering website within the period of bid submission. However, certified copy of all the scanned and uploaded documents as specified in e- tender notice shall have to be submitted by the lowest bidder within a week physically in the office of tender opening authority. Online bid documents submitted by intending bidders shall be opened only of those bidders, whose original EMD deposited with any division of CPWD and other documents scanned and uploaded are found in order.

The bid submitted shall be opened at 3:30 PM on 22.09.2026 .

10. The bid submitted shall become invalid and e-Tendering processing fee shall not be refunded if :
 - (i) The bidder is found ineligible.
 - (ii) The bidder does not upload scanned copies of all the documents (including GST Registration) as stipulated in the bid document.
 - (iii) If any discrepancy is noticed between the documents as uploaded at the time of submission of bid and hard copies as submitted physically by the lowest bidder in the office of bid opening authority.
 - (iv) If a tenderer quotes nil rates against each item in item rate tender or does not quote any percentage above/below on the total amount of the tender or any section / sub head in item rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.

11. The contractor whose bid is accepted will be required to furnish performance guarantee (a) 5% of tendered value or Estimated Cost Put to Tender (ECPT) (whichever is higher). (b) Where the tendered amount is less than eighty percent (80%) of the Estimated Cost Put to Tender (ECPT), the Performance Guarantee, in addition to the requirement under (a) above, shall be increased by an amount equal to the difference between eighty percent (80%) of the ECPT and the tendered amount at specified percentage of the tendered amount as mentioned in schedule E and within the period specified in Schedule F. This guarantee shall be in the form of Insurance Surety Bonds, Account Payee Demand Draft, Fixed Deposit Receipt or Bank Guarantee from any of the Commercial Banks in accordance with the prescribed form on page 21-22 of this NIT. In case the contractor fails to deposit the said performance guarantee within the period as indicated in Schedule 'F', including the extended period if any, the Earnest Money deposited by the contractor shall be forfeited automatically without any notice to the contractor. The earnest money deposited along with bid shall be returned after receiving the aforesaid performance guarantee. The contractor whose bid is accepted will also be required to furnish either copy of applicable licenses/ registrations or proof of applying for obtaining labour licenses, registration with EPFO,

Correction = NIL, Insertion = NIL, Overwriting = NIL, Deletion = NIL

ESIC and BOCW Welfare Board including Provident Fund Code No. If applicable and also ensure the compliance of aforesaid provisions by the subcontractors, if any engaged by the contractor for the said work within the period specified in Schedule F.

12. **The description of the work is as follows :** Intending Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their bids as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. A bidder shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. The bidders shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a bid by a bidders implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by the Government and local conditions and other factors having a bearing on the execution of the work.
13. The competent authority on behalf of the President of India does not bind itself to accept the lowest or any other bid and reserves to itself the authority to reject any or all the bids received without the assignment of any reason. All bids in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the bidders shall be summarily rejected.
14. Canvassing whether directly or indirectly, in connection with bidders is strictly prohibited and the bids submitted by the contractors who resort to canvassing will be liable for rejection.
15. The competent authority on behalf of President of India reserves to himself the right of accepting the whole or any part of the bid and the bidders shall be bound to perform the same at the rate quoted.
16. The contractor shall not be permitted to bid for works in the CPWD Circle (Division in case of contractors of Horticulture/Nursery category) responsible for award and execution of contracts, in which his near relative is posted a Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any gazette officer in the Central Public Works Department or in the Ministry of Housing and Urban Affairs. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.
17. No Engineer of Gazetted Rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the prior permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the bid or engagement in the contractor's service.
18. The bids for the work shall remain open for acceptance for a period of 30 (Thirty) days from the date of opening of bids in case of single bid system. Further

Correction = NIL, Insertion = NIL, Overwriting = NIL, Deletion = NIL

- (i) if any tenderer withdraws his tender or makes any modification in the terms & conditions of the tender which is not acceptable to the department within 7 days after last date of submission of bids, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 50% of the earnest money absolutely irrespective of letter of acceptance for the work is issued or not.
 - (ii) if any tenderer withdraws his tender or makes any modification in the terms & conditions of the tender which is not acceptable to the department after expiry of 7 days after last date of submission of bids, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 100% of the earnest money absolutely irrespective of letter of acceptance for the work is issued or not.
 - (iii) In case of forfeiture of earnest money as prescribed in para (i) and (ii) above, the bidders shall not be allowed to participate in the rebidding process of the same work.
19. This notice inviting Bid shall form a part of the contract document. The successful bidders/contractor, on acceptance of his bid by the Accepting Authority shall within 15 days from the stipulated date of start of the work, sign the contract consisting of:
- a) The Notice Inviting Bid, all the documents including additional conditions, specifications and drawings, if any, forming part of the bid as uploaded at the time of invitation of bid and the rates quoted online at the time of submission of bid and acceptance thereof together with any correspondence leading thereto.
 - b) Standard CPWD Form 8 (last date of receipt of Tender) or other Standard CPWD Form as applicable.
20. The intending bidders are required to update their profile in CPWD e-tender portal and to upload their bids well in advance of last date of submission of tender. Any issue related to updating profile/ uploading tender can be resolved through the concerned Executive Engineer/Assistant Engineer (Phone: 011-23034395) or ERP help line No. 18001803286 or E-mail Id cpwd.support@techmahindra.com. The E-tendering bidders are also advised not to wait to raise any issues till the last date of submission of bid in their own interest.

Assistant Engineer-III

(Guarantee Offered By Bank to CPWD In Connection With The Execution Of Contracts)

**Form of Bank Guarantee for Earnest Money Deposit /performance
Guarantee/Security Deposit/Mobilization Advance**

1. Whereas the Executive Engineer (name of division) CPWD on behalf of the President of India (hereinafter called "The Government") has invited bids under.....(NIT number)..... dated..... for..... (name of work) The Government has further agreed to accept irrevocable Bank Guarantee for Rs. (Rupees only) valid upto (date)*..... as **Earnest Money Deposit** from (name and address of contractor), (hereinafter called "the contractor") for compliance of his obligations in accordance with the terms and conditions of the said NIT:-

OR**

Whereas the Executive Engineer..... (name of division)..... CPWD on behalf of the President of India (hereinafter called "The Government") has entered into an agreement bearing number..... with(name and address of the contractor).....(hereinafter called "the Contractor") for execution of work..... (name of work) The Government has further agreed to accept an irrevocable Bank Guarantee for Rs. (Rupees only) valid upto (date) as Performance Guarantee/security Deposit/Mobilization Advance from the said Contractor for compliance of his obligations in accordance with the terms and conditions of the agreement.

2. We, (indicate the name of the bank) (herein after referred to as "The Bank"), hereby undertake to pay to the Government an amount not exceeding Rs,..... (Rupees only) on demand by the Government within 01 Month of the demand.
3. We, (indicate the name of the Bank) do here by undertake to pay the amount due and payable under this guarantee without any demur, merely on a demand from the Government stating that the amount claimed is required to meet the recoveries due or likely to be due from the said contractor. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs..... (Rupeesonly).
4. We, (indicate the name of the Bank), further undertake to pay the Government any money so demanded notwithstanding any dispute or disputes raised by the contractor in any suit or proceeding pending before any court or Tribunal, our liability under this Bank Guarantee being absolute and unequivocal. The payment so made by us under this Bank Guarantee shall be a valid discharge of our liability for payment there under and the contractor shall have no claim against us for making such payment.
5. We, (indicate the name of the Bank) further agree that the Government shall have the fullest liberty without our consent and without affecting in any manner. our obligation here under to vary any of the terms and conditions of the said agreement or to extend time of performance by the said contractor from time to time or to postpone for any time or from time to time any of the powers exercisable by the Government against the said contractor and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said contractor or for any forbearance, act of omission on the part of the Government or any indulgence by the Government to the said contractor or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

Correction = NIL, Insertion = NIL, Overwriting = NIL, Deletion = NIL

6. We, (indicate the name of the Bank) further agree that the Government at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor at the first instance without proceeding against the contractor and notwithstanding any security or other guarantee the Government may have in relation to the Contractor's liabilities.
7. This guarantee will not be discharged due to the change in Contractor.
8. We, (indicate the name of the Bank)..... undertake not to revoke this guarantee except with the consent of the Government in writing.
9. This Bank Guarantee shall be valid up to unless extended on demand by the Government. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs. (Rupees..... only) and unless a claim in writing is lodged with us within the date of expiry or extended date of expiry of this guarantee, all our liabilities under this guarantee shall stand discharged.

GENERAL CONDITIONS

1. The work in general shall be carried out in accordance with the CPWD Specifications 2019 Vol. I & II with upto date correction slips, hereinafter referred as CPWD Specifications.
2. The structural and architectural drawings shall at all times be properly correlated before executing any work. However, in case of any discrepancy in the item given in the schedule of quantities appended with the tender and architectural drawings relating to the relevant item, the former shall prevail unless and otherwise given in writing by the Engineer-in-Charge.
3. The tenderer shall study carefully, the drawings, specifications, schedule of quantities and conditions of the tender documents to fully appreciate the scope of work before quoting his rates.
4. **The contractors are advised to get acquainted with the proposed work and its site and also study the Architectural Drawings, specifications and special conditions carefully before tendering. No claim of any sort shall be entertained on account of any site conditions and ignorance of specifications and special conditions.**
5. The Civil work shall be carried out as per **CPWD specifications for works-2019 Vol. I & II** with up to date correction slips unless otherwise specified in the nomenclature of individual item or in the specifications and special conditions, where specifications are silent, the decision of Engineer-in-Charge shall be final and binding on contractors. Road work shall be executed as per latest MORTH specifications.
6. **The rates quoted by the contractor shall be taken as net and nothing extra shall be paid on any account i.e. royalty, cartage, sales tax and stacking at required places & working in restricted area etc.**
7. The rates for different items of work shall apply for all heights and depths, leads and lifts unless otherwise specified in the agreement or specifications applicable to the agreement.
8. Any damage done by the contractor to any existing work during the course of execution of the work shall be made good by him at his own cost.
9. Articles manufactured by the reputed firms and approved by Engineer-in-Charge shall only be used. Only articles classified, as 'first quality' by the manufacturer shall be used unless otherwise specified. In case articles bearing ISI certification are not available in the market, quality of samples brought by the contractor shall be judged by standards laid down in the relevant CPWD specifications. For the items not covered by CPWD specifications relevant BIS standards shall apply. The sample of materials to be brought to site for use in work shall be got approved from the Engineer-in-Charge before actual execution of work.
10. The contractor shall arrange transportation of all tests samples including materials required for testing under the agreement to the laboratory as approved by the Engineer-in-Charge for which nothing extra shall be paid. In all cases, cost of samples, testing charges and to and fro carriage shall be borne by the contractor.
11. The contractor shall submit a detailed programme of work within 7 Days of the date of issue of letter of intent. Detailed programme should include all the mile stone, cash flow, material procurement, manpower deployment. Program must show clearly the critical path to complete the project in time.

Correction = NIL, Insertion = NIL, Overwriting = NIL, Deletion = NIL

12. The Engineer-in-Charge can modify the programme and the contractor shall have to work accordingly. During review of work progress, Engineer in Charge can ask to modify the programme. Contractor shall resubmit the modified programme in 2 days.
13. The quantities of each item shall not be exceeded beyond the agreement quantities without prior permission of Engineer-in-Charge.
14. Income tax as per Income tax rules, GST as per applicable rules, 1% Labour cess and 1% water charges will be recovered from the gross amount of the bill.
15. The contractor shall make his own arrangements for obtaining electric connection, if required and make necessary payments directly to the department concerned.
16. All types of mortars to be used in the work shall be mixed in the mechanical mixer and hand mixing shall not be permitted.
17. The contractor shall make his own arrangement for getting the permission to ply the trucks from the traffic police.
18. No payment shall be made to the contractor for any damage caused by rain, snow fall, floods or any other natural causes whatsoever during the execution of work. The damage caused to work shall have to be made good by the contractor at his own cost and no claim on this account shall be entertained.
19. Other agencies may also simultaneously be executing the work of electrification, Horticulture or external services and other building works for the same building along with this work. The contractor shall afford necessary facilities for the same and no claim in the matter shall be entertained. The contractor shall especially co-ordinate with the other agency carrying out his work.
20. Some restrictions may be imposed by the security staff etc. on the working and or movement of labour and materials, etc., the contractor shall be bound to follow all such restrictions / instructions and nothing shall be payable on this account.
21. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards. He shall be responsible for all damages and accidents caused due to negligence on his part. No hindrance shall be caused to traffic during the execution of the work by storing materials on the road, VIP's corridor extra.
22. The contractor shall be fully responsible for the safe custody of the material issued or brought by him to site for doing the work.

23. Testing of materials :-

The contractor shall arrange transportation of all tests samples including materials required for testing under the agreement to the laboratory as approved by the Engineer-in-Charge for which nothing extra shall be paid. In all cases, cost of samples, testing charges and to and fro carriage shall be borne by the contractor.

24. The rate for all items of work, shall unless otherwise clearly specified include cost of all labour, material and other inputs involved in the execution of the items.
25. The order of preference in case of any discrepancy as indicated in condition no. 8.1 under “Conditions of Contract” given in the **General conditions of contract for Central P.W.D works 2023 (Amended upto previous day of last date of receipt of Tender)** form may be read as the following.
- Nomenclature of item in Schedule of quantities.
 - Additional conditions and special conditions, if any.
 - Contract clauses of **General conditions of contract for Central P.W.D works 2023 (Amended upto previous day of last date of receipt of Tender)** form.
 - CPWD Specifications 2019 Vol.-I & II.
 - Indian Standard Specifications/BIS and other specification as mentioned in the respective items.
 - Decision of Engineer-in-Charge.

Any reference made to any Indian Standard Specifications and other specifications mentioned in the respective items in these documents, shall imply to the latest version of that standard, including such revisions / amendments as issued by the Bureau of Indian Standards up to last date of receipt of tenders. The contractor shall keep at his own cost all such publications of relevant Indian Standards applicable to the work at site.

26. The contractor will not have any claim in case of any delay by the Engineer-in-Charge in removal of trees or shifting, removing of telegraph, telephone or electric lines (overhead or underground), water and sewer lines and other structure etc., if any which may come in the way of the work. However, suitable extension of time can be granted to cover such delay.
27. The malba /garbage generated at site due to construction activities shall be removed from the site immediately & shall be disposed off by the contractor to the approved dumping site identified by the Engineer-in-charge. The surplus soil/earth shall be disposed of as per the directions of Engineer-in-charge separately.
28. The contractor shall clean the site thoroughly of scaffolding materials, rubbish, equipment’s left out of his work and dress the site around the building to the complete satisfaction of the Engineer-in-charge before the work is treated as completed.
29. **Maintenance of Register of Tests-** All the registers of tests carried out at Construction Site or in outside laboratories shall be maintained by the contractor which shall be issued to the contractor by Engineer-in-Charge.
30. **Maintenance of Material at Site (MAS) Register-** All the MAS Registers including Cement and Steel Registers shall be maintained by Contractor which shall be issued to the contractor by Engineer-in-Charge.

31. Contractor shall be responsible for safe custody of all the test registers.
32. The quantities mentioned in schedule of quantity in front of sub-division are for guidance and liable to change. The contractor has to execute the items finally as available in parts and approval of Lok Sabha Secretariat and as per direction of Engineer-in-charge.
33. The contractor has to first register himself through a registration form, available on CPWD website under 'Contractors Login' tab. After registration, User ID and Password will be automatically generated and sent on his registered mobile and email ID. Using this User ID and Password he can access the module and view all the works which are being carried out by him in CPWD and he can register the hindrance against any particular work. After recording the hindrance by the contractor, it will be visible to all concerned officers (JE and above) of that work. An alert through text message and email will be sent to EE.
34. Executive Engineer will first assign the work to the JEs/AEs who will give their comments on the hindrance within 2 days. After that, Executive Engineer of the work will have to take appropriate action on the hindrance within next 2 days. The comments of JEs/AEs will not be visible to contractor, only the decision of Executive Engineer on the hindrance will be visible to contractor under "Decision of the Engineer-in-Charge".
- ~~35. For the purpose of operation of clause 12.2 & 12.3 all work (excluding structured steel work) upto top of stone cladding work shall be considered in foundation and all work above the top of stone cladding work shall be considered in superstructure.~~
36. **The work is to be completed within 25 Days.**

ADDITIONAL CONDITIONS

1. The work shall be carried out according to CPWD specifications for works, 2019 Volume I to II, including upto date correction slips and as per additional conditions and specifications given below. Whenever there is any difference between the CPWD specifications for works 2019 (as mentioned above) and the Additional conditions and specifications given below, the latter shall prevail. If both the CPWD specifications and the additional conditions and specifications are silent the clauses / specifications as per relevant, IS code shall apply. In case the relevant IS codes are also silent the decision of the Engineer-in-Charge shall be final. Road work shall be executed as per latest MORTH Specifications.
2. The rates for all items of work shall apply for all heights and depth unless otherwise specified.
3. The contractor shall quote their rates inclusive of all taxes like cartage, royalties etc. complete.
4. The Executive Engineer has got the right to accept or reject the tender as whole or part of it and no claims what so ever will be entertained on this account.
5. Before starting the work the contractor shall chalk out a programme in consultation with the Junior Engineer/ Assistant Engineer-in-Charge so as to inform the occupants at least one week in advance. The contractor shall have to adhere to this programme failing which he shall be held responsible for any inconvenience caused to the occupants. In order to ensure that the work is carried out according to the programme drawn, the contractor shall ensure adequate supply of the material and employ required labour strength for execution of work. In case contractor fails to arrange/ employ adequate labour and stick to the programme, the Engineer-in-Charge may supplement the labour, at the cost of the contractor after issue of one day's notice to the contractor. No claims for idle labour on any account shall be entertained. The contractor shall put his authorized representatives daily at the site of work and Enquiry Office for receiving instructions from Junior Engineer/ Assistant Engineer and other inspecting officials of the department. His name and signature shall be attested by the contractor and kept on the record with the department.
6. The rooms / sites where the work is to be executed on any day shall be got approved from the representatives of the Engineer-in-Charge at the site of work. No work shall be carried out in any room site without the approval of the representative of the Engineer-in-Charge at the site of work. Such works carried out without the approval of the representative of the Engineer-in-Charge shall be rejected and will not be measured and paid for.
7. The contractor shall prepare one sample of all items which should be got approved from the Engineer-in-Charge. Only on acceptance of sample work, contractor will be allowed to commence the work and sample is to be preserved by contractor till the whole work is completed. The quality of work should be as per approved samples.
8. The contractor should note that all the items of work to be taken up in any particular room shall be undertaken one after the other and completed, in reasonable time allotted for the same by the Engineer-in-Charge and got noted by Junior Engineer-in-Charge from the occupants. Any items left over in any room will be got done at his cost and risk without any further notice to the contractor except the entry made in the site order book by JE or AE or EE which will be considered as notice to this effect.

9. The contractor and/ or his authorized representative should inspect the site order book every day and get the compliance noted by the JE/ AE/ Engineer-in-Charge.
10. If the work is carried out in more than one shift or during night, no claim on this account shall be entertained.
11. The dismantling wherever required shall be done in a manner so that no other portions of the building or its fixtures are damaged. If any damage is done to the building it shall be made good by the contractor at his own cost and no claim whatsoever shall be entertained on this account.
12. The rates for all items of work shall (Unless clearly specified) include the cost of all labour material and other aspects involved in the execution of work.
13. **Due to Security reason the contractor shall have to arrange time table of labour according to the requirement of security staff and the instructions of the Engineer-in-Charge. The contractor should see the site before tendering.**
14. In the event of any restrictions being imposed by the Security agency, CPWD, Traffic or any other authority having jurisdiction in the area on the working or movement of labour /material, the contractor shall strictly follow such restrictions and nothing extra shall be payable to the contractor on this account. The loss of time on this account, if any, shall have to be made up by generating additional resources etc. General Security restrictions are given as under:
 - (i). Due to the site restrictions, there is no possibility for labour huts to be erected at site.
 - (ii). The labourers / staff should not be changed too frequently once the verification of the character and antecedents is done.
 - (iii). As and when there will be security requirements, certain additional restriction (s) can be imposed as per the requirement of the situation.
 - (iv). No claim whatsoever will be entertained by the department on account of any restriction (s) imposed by the security agencies in execution of work.
15. The contractor shall make his own arrangement for getting the permission to ply the trucks from the traffic police.
16. Entry passes for labours and supervisory staff of the agency shall be arranged by the Department on receipt of details and materials as required by the Security staff.
17. The contractor shall be responsible for behavior and conduct of his worker. No worker with doubtful integrity or having a bad record shall be engaged by the contractor.
18. Every precaution must be taken to see that the Civil/ furnishing is properly covered with tarpaulin etc. If necessary Civil / furnishing shall be removed from the site while carrying out the repair washing work in that case Civil/ furnishing will be placed back.
19. In order that the contractor may take daily instructions, a register will be maintained at the Enquiry Office. The JE will note down the work in various locations to be attended to and the dates of which the work in these locations is to be started. An authorized representative of the contractor will, therefore, have to visit the Enquiry Office daily and note down the instruction contained in the register.

20. Defective work, sub-standard work or work not done according to the specifications of the contract shall be liable for summarily rejection and shall not be measured and paid for. This shall be without prejudice to taking any other action against the contractor in accordance with the other terms and conditions of the contract.
21. The agency shall submit documentary proof of procurement from the mentioned agencies i.e. Bill/ Invoice etc.
22. The agency has to deploy workers in day as well as night shift depending on the exigencies of work. Mostly the work will be carried out till late hours. Nothing extra shall be payable to the agency on this account.

SPECIAL CONDITIONS FOR DISMANTLING WORK

1. All dismantling/demolition works shall carried out as per C.P.W.D specifications 2019 Vol I & II with upto date correction slips.
2. The Contractor shall deploy adequate manpower and machinery for the work as per direction of Engineer-in-charge, so as to complete the work within stipulated time.
3. The Contractor shall ensure that no accident / mis-happening occur during execution of the work. In case any accident occurs/may take place or any claim/claims is lodged during the work by any injured/aggrieved person(s) before any courts or authority, the same shall be the sole liability and responsibility of the Contractor to pay compensation or face the legal action as deemed fit.
4. The agency shall display informatory/cautionary sign age boards at site.
5. Any damages to movable/immovable properties occurred during the demolition will be made good by the contractor at his own risk and cost.
6. The contractor will be responsible for any damages to movable/immovable properties and people working around the building area and passerby near Building area.
7. Controlled demolition of building without using of blasting device.
8. Agency shall adopt all the safety measures for the workmen, staff & users/ occupants'/ visitors in building during the execution of the work.
9. Agency shall take all precautions so as not to damage any services like water lines, sewers/ drains, roads, paths, any part of building electric cable/ poles etc. during the work.
10. Agency shall provide helmets, gumboots, safety belts, goggles, gloves for the safety of workmen & staff at his own cost.
11. Agency shall not create any inconvenience to the nearby users/ occupants during the work.
12. The agency should get insured the workers/labours engaged at site.
13. All T&P Equipments machinery, water, electricity, scaffolding, barricading, all safety equipments & precautions for the workers etc. which are required for successful completion of the work is required to be arranged by the contractor at his own cost. Nothing Extra will be payable on this account.
14. Notwithstanding the requirements of individual parts of this Specification the Contractor shall be deemed to have allowed for and shall take the following points regarding the environmental effect of the Works into account. The price quoted shall be deemed to be inclusive of these requirements.
15. The Contractor shall at all time control the spread and concentration of air or water borne suspended solids generated as a result of his activities.
16. The Contractor shall at all times maintain the areas of the site under his control in a clean and tidy condition and shall provide appropriate and adequate facilities for the temporary storage of all waste products prior to their disposal, at his own cost.
17. Necessary watch and ward etc. shall be arranged by the contractor at their own cost.
18. Work shall be carried out in time Based manner.

Special Conditions to Comply Directives of Hon'ble National Green Tribunal and EIA Guidance Manual

1. The contractor shall not store/dump construction material or debris on metalled road.
2. The contractor shall get prior approval from Engineer-in-Charge for the area where the construction material or debris can be stored beyond the metalled road. This area shall not cause any obstruction to the free flow of traffic/inconvenience to the pedestrians. It should be ensured by the contractor that no accidents occur on account of such permissible storage.
3. The contractor shall take appropriate protection measures like raising wind breakers of appropriate height on all sides of the plot/area using CGI sheets or plastic and /or other similar material to ensure that no construction material dust fly outside the plot area.
4. The contractor shall ensure that all the trucks or vehicles of any kind which are used for construction purposes/or are carrying construction material like cement, sand and other allied material are fully covered. The contractor shall take every necessary precaution that the vehicles are properly cleaned and dust free to ensure that en-route their destination, the dust, sand or any other particles are not released in air/contaminate air.
5. The contractor shall provide mask to every worker working on the construction site and involved in loading, unloading and carriage of construction material and construction debris to prevent inhalation of dust particles.
6. The contractor shall provide all medical help, investigation and treatment to the workers involved in the construction of building and carry of construction material and debris relatable to dust emission.
7. The contractor shall ensure that C&D waste is transported to the C & D Waste site only and due record shall be maintained by the contractor.
8. The contractor shall compulsory use of wet jet in grinding and stone cutting.
9. The contractor shall comply all the preventive and protective environmental steps as stated in the MoEF guidelines, 2010.
10. The contractor shall carry out on-Road- Inspection for black smoke generating machinery. The contractor shall use cleaner fuel.
11. The contractor shall ensure that all DG sets comply emission norms notified by MoEF.
12. The contractor shall use vehicles having pollution under control certificate. The emissions can be reduced by a large extent by reducing the speed of a vehicle to 20 kmph. Speed bumps shall be

used to ensure speed reduction. In cases where speed reduction cannot effectively reduce fugitive dust, the contractor shall divert traffic to nearby paved areas.

13. The contractor shall ensure that the construction material is covered by tarpaulin. The contractor shall take all other precaution to ensure that no dust particles are permitted to pollute air quality as a result of such storage.
14. The paving of the path for plying of vehicles carrying construction material is more permanent solution to dust control and suitable for longer duration projects. The NIT approving authority shall carry out cost benefit ratio analysis of the same.

SPECIAL CONDITION & SPECIFICATIONS

1. General :

- 1.1 The work shall be executed as per these special conditions & specifications read in conjunction with the specifications given in the schedule of work of this tender.
 - 1.1.1 All materials delivered shall be brand new with manufacturers test certificates etc.
 - 1.2.1 The site is often fully occupied as many VVIP offices are located in the buildings, which are fully functional. The officers / VVIPs work even up to very late hours. Hence the work is required to be executed in such a manner that no disturbance / inconvenience is caused to the occupants as well as no hindrance is caused to their functioning: The contractor shall organize his activities of the work in such a manner that the works and functioning of the occupants do not get hampered.
 - 1.2.2. The work site is an occupied building where lot of other service cables / service lines / various CIVIL / building services are already existing / functioning in the campus / building. Hence the contractor shall organize activities of his work in such a manner that none of the existing services get damaged / dislocated / hampered / hindered in any manner. Care shall also be taken by the contractor to avoid the damage to any of these existing services / service lines etc. if any damage is caused to any of the existing services / service lines, the same shall be repaired / rectified and made functional by the contractor immediately at his own expenses failing which the same shall be repaired / rectified and made functional by department at the risk and cost of the contractor. The decision of the Engineer-in-charge in this regard shall be final & binding.
 - 1.2.3 The utmost care shall have to be taken while executing the work or shifting the materials etc. for execution at site so that no damage is caused to any part of the building. However if any cutting / breaking on floor / wall / ceiling becomes inevitable for execution of the work then it must be done to the barest minimum level, in a highly professional manner & only after consulting the Engineer-in-charge. It must be ensured that such cutting are repaired / restored to its original finish by the contractor immediately at his own expenses failing which the same shall be repaired / restored to its original finish by department at the risk and cost of the contractor. The decision of the Engineer-in-charge in this regard shall be final & binding.
 - 1.2.4 Therefore in view of the situation explained under above clauses from 1.3.1 to 1.3.3, the tenderer must visit the site and survey the site properly & thoroughly before, study specifications and conditions carefully before tendering rates. Nothing extra shall be paid on account of compliance of any these clauses.
- 1.3 **The site of work falls in highly sensitive & security area. The contractor shall strictly follow all restrictions and instructions as imposed from time to time by security wing & client department. Due to high security area there may be some times some restrictions on working hours/ days for which the contractor shall be intimated then & there & no claim shall be entertained for idle labour if any. No claim what so ever will be entertained by the department on account to any other restrictions imposed by the security agencies, occupants & the client department. The loss of time on this account shall have to be made up by generating additional resources without any extra claim on the department as the work is to be completed in a time bound manner within the completion period.**

- 1.4 If the site or part of it is not made available for any reasons, the programme of execution of work shall be modified accordingly and the contractor shall have no claim for any compensation on this account.
- 1.5 General security restrictions are given as under:
- (i) No inflammable materials including P.O.L. shall generally be stored at site of work.
 - (ii) The movement of trucks and vehicles will be regulated in accordance with rules and regulations as approved by competent authorities.
 - (iii) The contractor shall inform in advance, the truck registration number, Ownership of the trucks, names and address of the drivers and labours for necessary action by the security agency.
 - (iv) Due to the site conditions, no space for construction of godown and stay of site staff may be allowed.
 - (v) Names and addresses of labourers / staff etc. working at site shall be furnished in advance for security verification.
 - (vi) The labourers / staff should not be changed too frequently once the verification of the character and antecedents is done.
 - (vii) After verification of antecedents of workers, identification passes will be issued to them. The cost of photos would be borne by the contractor.
 - (viii) As and when there will be security requirements, certain additional restrictions can be proposed as per the requirement of the situation.
 - (ix) No claim whatsoever will be entertained by the department on account of any restrictions imposed by the security agencies during execution of work.
2. Successful tenderer shall arrange for compliance with statutory provisions of safety regulations and departmental requirements of safety codes in respect of labour employed on the work by the tenderer. Failure to provide such safety requirement i/c necessary barriers, warning signals etc. wherever required would make the tenderer liable for penalty of Rs. 200/- for each default. In addition, the department will be at liberty to make arrangement for the safety requirements at the cost of tenderer and recover the cost thereof from him.
3. In the entire site there are stretches and service areas at some places which are covered with cables and occupied with sky lights glasses. The water proofing treatment cannot be carried in these areas simultaneously until suitable covering arrangement for covering those entire sky light glasses with polythene or any other suitable covering to protect them against any stains/spots etc. The water proofing in these stretches will be carried and when these sky lights area will be made protected.
4. The successful tenderer shall be liable, in accordance with the Indian Law and regulations for any accident occurring due to any cause and the contractor shall be responsible for any accident or damage incurred or claim arising there from during the period of erection, construction and putting into operation the equipments and ancillary equipment under the supervision of the successful tenderer in so far as the latter is responsible. The successful tenderer shall also provide all insurance i/c third party insurance as may be necessary to cover the risk. No extra payment would be made to the successful tenderer on account of the above.
5. **Material Approval:-**
- The material if any brought at site shall be approved by the Engineer-in-charge before use in the work. In case during execution any material being used in the work is found not as per agreement

specifications, Engineer-in-charge may issue instruction to the contractor to remove the material from site and the contractor will be bound to do so.

6. The material related to execution of Prefabricated structures/Items shall be of reputed manufacturers/Brands and name of which shall be got approved by contractor from Engg-in-Charge of civil works in writing, prior to purchase of same and brought to site. Such materials shall be only of approved brand/manufacture only as approved by Engg-in-Charge. Work must be executed accordingly otherwise no payment shall be made to contractor even if work starts or executed by contractor.
7. Unless otherwise specified in the schedule of quantities the rates for all items shall be considered as inclusive of pumping/baling out water, if necessary, for which no extra payment shall be made. Those conditions shall be considered to include water from any source such as inflow of flood, surface and sub-soil water etc. and shall apply to the execution in any season.
8. The rate for all items in which the use of cement is involved is inclusive of charges for curing.
9. The foundation trenches shall be kept free from water while works below ground level are in progress.
10. The work shall be executed and measured as per metric dimensions given in the schedule of quantities, drawings etc. (FPS units wherever indicated are for guidelines only).
11. Payment for items of “RCC work”, brick work and concrete work above different floor shall be made at the rates provided for those items. For operation of these rates, the floor level shall be considered as top of the main structural slab in that floor viz. top of RCC slab in main room and not top of any sunk or depressed floor for lavatory slabs.
12. The rate of items of flooring is inclusive of providing sunk flooring in Bath-rooms, kitchen, etc. and nothing extra on this account shall be payable.
13. The SCI/CI pipes and GI pipes wherever necessary shall be fixed to RCC columns, beams etc. with rawl plugs and nothing extra shall be paid for this.
14. The contractor shall be responsible of the protection of the sanitary and water supply fittings and other fittings and fixtures against pilferage and breakage during the period of installation and thereafter until the building is handed over.
15. **For any product or item used in work, the Guarantee/Defect Liability Period shall be as stipulated in Agreement or as provided by Manufacturer/supplier, whichever is more. Contractor must produce certificate from Manufacturer/supplier of an item or product regarding guarantee period of same. Nothing extra shall be paid to contractor if the Guarantee/Defect Liability Period of a product/item is more than as stipulated in this Agreement.**
