SAFETY CUM INDEMNITY BOND

(On Non-Judicial Stamp paper of value not less than Rs. 300)

KNOW ALL MEN BY THESE PRESENTS that we, _____ by this SAFETY CUM INDEMNITY BOND Executed on this _____ Day of _____ 2014. I/We Having Registered Office _____ (herein after called "THE CONTRACTOR" which expression shall mean and includes my /our heirs, executors, administrators and legal representatives, successors and permitted assigns) do hereby binds myself/ourselves and also our company/firms after having the power to bind by this promise and undertaking in favor of the Gujarat Energy Transmission Corporation Limited (GETCO), Vadodara a State Transmission Utility under The Electricity Act, 2003 having its registered office at Sardar Patel VidyutBhavan, Race course, Vadodara.(hereinafter called as GETCO, which expression shall mean and include its legal representative, administrators assigns) has agreed under the terms and conditions of the contract no. _____ dated _____ made between _____ and _____ for the contract of the _____ value of Rs. _____ interalia on production of Safety Cum Indemnity Bond.

We do hereby undertake and agree to Indemnify and keep Indemnified GETCO from time to time to the extent of Rs. _____ Rupees _____ only against any losses or damages, costs, charges and expenses caused to or suffered by reason of the CONTRACTOR while Project, R&M, O&M work including work carried out by outsourcing agency, failing to take proper care or not complying the guidelines given hereunder as per Annexure-A and instructions which may be given from time to time during the continuance of the contract and we further undertake to unconditionally pay the amount claimed by the GETCO on demand and without demur to the extent aforesaid.

Whereas the CONTRACTOR has/have been awarded to execute the job/works under order no. _____, dated _____ for _____ issued by the GETCO after having observing necessary formalities, the details of which is described in the order no. _____ dated _____ and whereas the said job/works will be /likely to be done in places covered under Employees' State Insurance Act, 1948 (ESI) and /or the Workmen Compensation Act, 1923 and /or other laws relating to the Labor Management and Welfare Act. (Respective Amendments)

And whereas according to the condition of the Contract the CONTRACTOR is under obligation to execute this Safety cum Indemnity Bond before the commencement of actual execution of work

Now the indenture witnesses that I/We the CONTRACTOR do hereby undertake to follow the guidelines as per Annexure-A prepared by the GETCO.

Further we the CONTRACTOR agree that the GETCO shall be sole judge of and as to whether there has been any breach of the guidelines as per Annexure-A of this bond and as to the extent of the loss,damages, costs, charges and expenses caused to or suffered by the GETCO.

We the CONTRACTOR further agree that our liability under this bond shall not be discharged because of the change in the constitution of the GETCO or for the extension of the time limit or for any other reason.

We the CONTRACTOR further agrees to the given terms and conditions:

- a) That the CONTRACTOR undertakes /undertake to indemnify and keep harmless the GETCO from all claims, actions, proceedings and risk, damage danger to any person whether belonging or notBelonging to the CONTRACTOR.
- b) That the CONTRACTOR shall keep harmless the GETCO from all claims, compensation, damages any proceedings in respect of any of its employee / workmen under the Workmen Compensation Act or any other laws for the time being in force.
- c) That, if during the course of execution of work as stated in the contract order mentioned

here in above issued by the OBLIGEE, it is found that the CONTRACTOR has not complied with guide lines as per Annexure-A or terms and conditions / formalities within the meaning of Employees' State Insurance Act, 1948 (ESI) or Workmen Compensation Act 1923 or any other laws relating to the Labor Welfare for the time being in force, and also has not observed the safety norms in accordance with the law prevailing at the place of work/job to the satisfaction of the GETCO, the GETCO shall have the right to stop the execution of work/job and the period of such stoppage shall not be taken into account for the calculation of the total period of completion of work for which the CONTRACTOR is responsible to complete the work/job and it will be deemed that discontinuance was due to default of the CONTRACTOR .

d) That, if any time, due to exigency, GETCO as the Principle Employer, becomes liable to pay any such compensation mentioned hereinabove, whether on failure of the CONTRACTOR or for any other reason, the GETCO shall have the right to recover the said amount from any amount receivable by GETCO or any bank guarantee deposited or anything payable whether in connection with this contract or other contract by the CONTRACTOR to the OBLIGEE.

e) That the CONTRACTOR is/are aware and accept that for the persistent or repeated violation of any guidelines as per Annexure-'A' and terms and conditions mentioned in this Safety cum Indemnity Bond, GETCO shall have right to terminate the contract of work issued to the CONTRACTOR.

f) In case if any safety related fatal Electrical / Mechanical accident occurred to any employee of agency or outsider due to negligence or non-compliance of GETCO safety norms then in addition to the compensation and liability as per statutory requirement, contractor / agency is hereby agreed to pay the penalty amount as given below:

Sr. No	Amount of Contract in Rs.	Penalty amount
1	Up to 1 Lac	Rs.5000/- + GST
2	Above 1 Lac to 10 Lac	Rs.40000/- + GST
3	10 to 100 Lac	Rs.100,000/- + GST`
4	> 100 Lac	1.0 % of contract value + GST

g) I/We the CONTRACTOR hereby confirm that in case of any dispute/difference for settlement of claims under this Safety Cum Indemnity bond the courts in Gujarat State wherever job/work is performed or as per GETCO norms shall have the jurisdiction to decide the rights & liabilities of the parties while adjudicating the matter of claims under this Safety Cum Indemnity Bond.

h) This Safety cum Indemnity Bond shall continue and hold good until it is released by the GETCO in Writing on the CONTRACTOR's application after the Contractor has discharged all his obligations under the order mentioned hereinabove and submitted a "NO DEMAND CERTIFICATE" from the GETCO under the said order. The Safety cum Indemnity Bond shall be valid for a CONTRACT PERIOD and renewable thereof (Claim Period).

i) This Safety cum Indemnity Bond and the guidelines as per Annexure-A herein contained are in addition to And not by way of limitation or substitution for any other guarantee, indemnities Hereto before given to the GETCO by the CONTRACTOR and this indemnity do not Revoke or limit such indemnities or guarantees. IN WITNESS WHEREOF the Parties hereto have executed this indenture the day the year First hereinabove written.

(Signature with seal of The CONTRACTOR)

ANNEXURE-A

OUR ENDEVOUR - Safety a habit

To create environment where Business Confidence is built through Best Business Practices and is fostered in an atmosphere of trust and respect between providers of goods and services and their users for the ultimate benefit of society as the nation, safety guidelines are agreed upon by the agency as under. Safety is our prime concern and zero accident is our goal. In order to prevent the accident, while execution of works in indoor and outdoor systems of GETCO, the following guideline and preventive measures are identified.

Indoor safety precaution	Outdoor safety precaution
The method of work required T&P and manpower should be discussed between GETCO supervisor, contractor's supervisor and gang leaders.	The method of work required T&P and manpower should be discussed between GETCO supervisor, contractor's supervisor and gang leaders.
Prior to execution of work a joint survey must be conducted by GETCO supervisor and contractor's supervisor for risk assessment. • Clearly identify the work location, to distinguish between the equipment that is dead and other equipment / part that may be live. • Disconnect equipment from supply. • Protect against other live parts. • Take special precautions when close to bare conductors / Bus bar.	Prior to execution of work a joint survey must be conducted by GETCO supervisor, contractor's supervisor and DISCOM line man in order to identify the following: a. HT/LT line or tap line crossing under each span of line of the work. b. Isolation point of each line crossing. c. Each line crossing & isolation point under each span must be discussed and noted in Maintenance register with sketch.
Following safety guidelines are mandatory for all contractors operating in GETCO premises for Electrical, non-electrical & civil works. 1. The contractors must provide advance planning of work to concerned in-charge of substation in writing. 2. Before starting any work whether switch yard, "permit to allow to work" must be taken from control room in-charge. 3. Utilizing Electrical / non-electrical equipments, safety rules must be implemented. 4. If the work is to be carried out on Sunday or public holiday, the necessary permission must be taken in advance, requesting in writing. 5. Unwanted person including children of labors will not be allowed at working site/ in the switchyard and in the prohibited area. 6. Any electrical work or electrical connections to equipment for any other work must be carried out by certified electrician/wiremen with adequate size of wire through MCB as per I.E. Rule. ○ Live penal area / bus bar must be isolated and sealed / bifurcated with red color tape	Contractor's supervisor and GETCO Supervisor must ensure all isolations physically with adequate earthing technically prior to give clearance to gang leader for taking up job. While execution of stringing work, the identified line crossing must be isolated / de-energized and written clearance should be obtained from concerned DISCOM supervisor. The isolation of Tap line must be physically seen and verified by Contractor and GETCO supervisor. At D.O. fuse junction contractors person should be posted to ensure that no person restore D.O. supply while work is under execution Contractor's supervisor must ensure that concern officer take LCP for EHV line and power line crossing.

for visible warning. ○ Display Board must hang on LCP panel. ○ Transformer must be switched off whenever and wherever contractor and line workers are not satisfied with isolation, earthing or any equipment performance of GETCO, it will be pointed out and work shall begin only after resolution. Contractor shall not take up job in absence of GETCO authorized person. All wire temporary connection & material whenever erection activity has any connection and disconnection work of busbar, string bus.	
All workers / labor of contractor & supervisors must use personal protective equipment (PPE) during the work like gloves, safety belt, Safety shoes, Helmet, earthing rods, etc, duly approved by GETCO.	All workers / labor of contractor & supervisors must use personal protective equipment (PPE) during the work like gloves, safety belt, Safety shoes, Helmet, earthing rods, Live line detector etc, duly approved by GETCO.
The local earthing must be done at the place of work before execution of any work.	The local earthing must be done at the place of work before execution of any work.
11 kV breakers in panel must be switched off and racked out only after ensuring no voltage in breaker and without door opening.	Circuit breaker opening is not isolation and isolator on either side must be opened. No work during rains and cloudy weather condition.
	Transmission line activities. 1) Used of Voltage detector to ensure outage. 2) Earthing at three points, local, left & right side of bus bar / string bus. 3) Match line color code with color of wrist band.
	Local earthing of electrical equipments like filter M/c, welding machine, testing kits etc. is must. Crane shall only be used for material handling and erection. Working platform shall only be used for work in switchyard.

PART.II

Technical Specification & Commercial Conditions

1.3 DEFINITION:

- 1.3.1 The "GETCO" shall mean the Gujarat Energy Transmission Corporation Ltd, Vadodara and shall include their authorized representatives.
- 1.3.2 The "Contractor" shall mean the bidder, whose tender has been accepted by the GETCO for award of the contract and shall include his authorized representatives.
- 1.3.3 The "Engineer-in-Charge" shall mean the authorized officer of the GETCO to act as Engineer-in-Charge to supervise the work for the purpose of the contract.
- 1.3.4 The "Specification" shall mean the tender forming a part of the contract along with proforma, schedules and drawings.
- 1.3.5 The "order" shall mean the official letter issued by the GETCO, informing the bidder that his tender has been accepted.
- 1.3.6 The "Contract" shall mean the agreement to be entered into by the GETCO with the contractor and shall include the commercial, technical and general conditions, schedules, drawings and any other conditions specifically agreed between the parties forming a part of the contract.
- 1.3.7 The "Contract Value" shall mean the total amount indicated in the contract agreement as per order placed by the GETCO and calculated from the provisional quantities indicated in the tender.
- 1.3.8 The "Warranty Period" shall mean the period during which the Contractor shall remain liable for repair/replacement of any defective work performed by the Contractor under the contract.
- 1.3.9 The "Completion Period" shall mean the period starting from the date of issue of commencement given by executing authority and required to complete the line work including handing over the line for charging.
- 1.3.10 The "Work" shall mean the activities to be carried out for shifting of transmission line, using tower materials, bolts & nuts, cement, line materials viz. conductor, earth wire, their hardware and accessories etc. supplied by the GETCO and using materials like sand, grit, tor steel bars, earthing materials etc. by the contractor under the contract.

1.4 TENDER DETAILS:

As per page No. 2.

1.5 **AMENDMENT OF TENDER:**

At any time prior to the submission of tenders, the GETCO may, for any reason, whether at his own initiative or response to a clarification requested by bidder, modify the Tender conditions by amendment.

The amendment will be issued on n code/GETCO web site or by mail or by fax to all bidders, which will be binding to them.

1.6 **THE TENDER:**

1.6.1 The tender should be submitted only in the **prescribed forms** issued by the GETCO duly signed and sealed by the tenderer.

1.6.2 The tenders must be sent by Registered Post / Speed Post only so as to reach this office on or before specified date & time. Due care should be taken to see that the tenders sent are posted early enough to ensure their delivery by the prescribed date or even earlier.

1.6.3 **E.M.D. at the rate of 1% of the value of the items offered is payable. The EMD is payable by Demand Draft in favour of the Gujarat Energy Transmission Corp. Ltd on any Schedule / Nationalized Banks in Navsari.**

1.6.4 No Interest will be allowed against payment of E.M.D. Documents towards Payment of Earnest Money Deposit (EMD) may please be kept in the enclosed EMD cover only, which is attached along with this tender document. First the EMD cover will be opened and if the documents towards payment of EMD are found OK then only Tender Cover will be opened which may please be noted.

EMD will be forfeited (i) if the tender which it covers is withdrawn during the validity of the offer and (ii) the Tenderer fails to furnish / deposit the security deposit as per below clause no.12.

EMD of the unsuccessful tenderer will be refunded within 180 days of placing of the order with the successful Tenderer and when the Tenderer asked for refund to the **Accounts Officer** of the GETCO, the original receipt of the EMD together with the

advanced stamped receipt should be furnished along with application for refund of EMD.

- 1.6.5 The tenderer must ensure that all the Schedules are completely filled up in their tenders and that complete information called for is given. Failure to furnish full and complete details or furnishing vague information would make the tender liable for rejection.
- 1.6.6 The offer should be valid for a minimum period of 180 days from the date of opening of tender.
- 1.6.7 Bidder should quote for any one / or for all the line/s under this specification. Tender submitted shall be for the complete scope of work for a particular line as envisaged in this specification. Tender submitted for partial scope of work of any line will not be accepted.
- 1.6.8 The bidder shall be deemed to have satisfied himself with all the conditions and circumstances affecting the prices and possibility of executing the work. The bidder shall fix his prices taking into account the site & its surroundings, approach roads etc. No idling / mobilizing / demobilizing / remobilizing OR any other type of claim shall be admitted and paid on any part of the work.
- 1.6.9 The tenderer should fill in all schedules and submit all the details called for in this specification in prescribed Proforma only.
- 1.6.10 The tenderer should submit attested copies of The GETCO Resolution of firm/ power of attorney authorizing particular person to sign tender and related documents.

1.7 AUTHORISED REPRESENTATIVE:

- 1.7.1 All the tenderers are requested to mention the name of their authorized representative with full address in the tender documents.

In case the representative is changed during the course of execution of the contract, such changes shall be notified by the successful tenderer, failing to which, The GETCO shall not accept any responsibility.

1.8 REJECTION OF TENDER:

1.8.1 The bidder is expected to examine all instructions, terms, conditions, schedules and other details called for in this specification and fully informed himself to all which may in any way affect the work or cost thereof. Failure to furnish the required information or submission of tender not substantially responsive to specification will be at the bidder's risk and may result in rejection.

1.8.2 The offer is liable to be out rightly rejected in case the bidding schedules are not filled in and the prices and particulars are given in other format. Further the offer containing -

a) Different rates for the same items i.e. rates quoted in the slabs.

b) Deviation / Addition / Alterations / Omissions in bidding Schedules.

Deviation and contradictions to the terms and conditions specified in this tender are liable to be summarily rejected.

1.9 GETCO'S RIGHT:

1.9.1 The GETCO reserves the right of terminating this contract or part thereof at any time during its pendency without giving notice of Termination or the reasons thereof.

1.9.2 The GETCO will be entitled to deduct directly from the bills, to be paid to the contractor any sum or sums payable by him and which sum / sums the GETCO is required to pay as a principal employer on account of contractor default in respect of all liabilities referred to.

1.9.3 The bidders shall specifically note that any overwriting or corrections or manuscript in the bid shall be ignored and will not be considered authentic unless the same are signed with Bidder's Stamp / Seal.

1.9.4 The GETCO reserves the right to split the contract into two or more bidders for the lines covered in the specification or for particular line. In such cases, the term for completion period will be negotiated.

1.9.5 In case of any doubt or interpretation of the terms and condition, the decision of the Superintending Engineer (Trans), Gujarat Energy Transmission Corporation Ltd, Navsari will be final and binding to the bidder and no dispute in this regard will be entertained.

- 1.9.6 The GETCO reserves the right to accept any bid or reject any or all bids or cancel withdraw invitation to bid without assigning any reason. Such decision of the GETCO shall not be subject to question by any bidder or the GETCO shall bear no liability whatsoever for such decision.

1.10 MATCHING OF END COST:

In case the GETCO decide to award CONTRACT on matching end cost basis, the bidder has to reduce all the quoted rates proportionately. The reduction on overall basis will not be accepted (i.e. all unit rates of erection schedule shall be reduced proportionately by difference in percentage).

1.11 CONTRACT:

- 1.11.1 The work covered by this Specification shall be carried out and governed by the GETCO's/ GEB's Booklet of "General Terms and Condition of Contracts" appended herewith excepting where conditions specified in this Specification conflict with similar conditions in the Booklet. The tenderers will be deemed to be fully aware of this Booklet and any ignorance of the same will not exempt the contractor from his liability to abide the same.

- 1.11.2 The Contractor shall not execute any part of the shifting work through sub-contract without obtaining prior written permission from the GETCO.

- 1.11.3 Such permission given by the GETCO will not relieve the contractor from any liability or obligation under the contract. The contractor shall be responsible for workmanship, quantity and quality of the work done by the sub-contractor or his workmen.

- 1.11.4 The GETCO shall have right to obtain the agreement, order and other conditions entered into by the contractor with any of the sub-contractor/s. The technical particulars of the work to be executed by sub-contractor shall be subject to approval of the GETCO.

1.12 EFFECT AND JURISDICTION OF CONTRACT:

- 1.12.1 The contract shall be considered as having come into force from the date of issue of order, which is accepted by the Contractor.

- 1.12.2 The laws applicable by the contract shall be the laws in force in India. The courts of Navsari shall have exclusive jurisdiction in all the matters arising under this contract.
- 1.13 **COMPLETION PERIOD:**
- 1.13.1 *The time allowed for completion the work is **24 (Twenty four) months** from the date of the commencement of the work,* The Tenderer should agree with activity wise time bound programme for completion of check survey work including minor survey work & preparation of profiles (if required), stub-setting, foundation, erection of towers & extension, stringing of conductor & earthwire, testing & commissioning of the line etc. appended herewith.
- 1.14 **FORCE MAJEURE:**
- 1.14.1 The following clauses which substantially affect the performance of the contract shall only be considered as force majeure conditions.
- a) Natural phenomena, including but not limited to floods, droughts, earthquakes and epidemics.
- b) Acts of any Government, domestic or foreign, including but not limited to war, declared or undeclared, priorities, guarantees, and embargoes.
- Provided the party affected by the 'Force Majeure' shall within fifteen (15) days from the occurrence of such a cause, notify the other party in writing of such cause with sufficient documentary proof.
- 1.14.2 Notwithstanding any provision mentioned above, the GETCO shall not be in any way be liable for non-performance either in whole or in part of any contract or for any delay in performance thereof in consequence of strikes, shortages, combination of Labour or workman or lockout, breakdown or accident to machinery or accidents of whatever nature.
- 1.14.3 The Contractor or the GETCO shall not be liable for delays in performing their respective obligations resulting from any force majeure causes as defined above. The date of completion will be extended by a reasonable time by mutual agreement.
- 1.14.4 In case of damage or destruction of any property or equipment's belonging to the Contractor due to force major causes, the GETCO shall not be liable for the same.

1.15 ARBITRATION:

- 1.15.1 All questions, disputes or differences whatsoever, which may, at any time, arise between the parties i.e. the GETCO and the Contractor upon, or in relation to or in connection with the contract, shall be referred to sole Arbitrator appointed by the Chairman, GETCO, for that purpose, who shall be a retired High Court Judge or a retired District Judge and the decision of the said Arbitrator shall be final and binding upon the parties. Reference to the Arbitrator shall be governed by the provisions of The Arbitration & Conciliation Act, 1996 as amended from time to time and the Rules made there under. The arbitration proceedings shall be conducted at Vadodara, Head Office of GETCO or at any such place as the sole Arbitrator may determine. The award of the sole Arbitrator shall be final and binding upon the parties.
- 1.15.2 Performance under this contract shall, if reasonably possible, continue during the arbitration proceedings, and no payments due or payable by the GETCO shall be withheld unless they are the subject matter of the arbitration proceedings.

1.16 LABOUR LAWS:

- 1.16.1 Persons below the age of 18 years shall not be employed for the work.
- 1.16.2 No female worker shall be employed in the night shift between 07.00 p.m. and 06.00 a.m. next day.
- 1.16.3 Contractor shall maintain a valid labour license under the Contract Labour (Regulation and abolition) Act for employing necessary manpower required by him. In the absence of such license, the contract shall be liable to be terminated without assigning any reason thereof.

- 1.16.4 The Contractor shall at his own expenses comply with all labour laws and keep the GETCO indemnified in respect thereof. Some of the major liabilities under various Labour and industrial laws which the Contractor shall comply with are as under:

Payment of contribution by way of Employer's Contribution towards Provident Fund, Family Pension Scheme, Deposit Linked Insurance Scheme, Administrative charges, etc. at the rates made applicable from time to time by the Government of Gujarat / Government of India or other Statutory Authority.

Signature of Contractor

**Superintending Engineer
GETCO, CO, Navsari**

GENERAL COMMERCIAL CONDITIONS :-

1. The Gujarat Energy Transmission Corporation Ltd., Navsari hereinafter called 'GETCO'/ 'OWNER' intends to receive bids for **"Bi-annual rate Contract for Transportation, Loading, Unloading, stacking of materials/equipment's from various destination of GETCO Construction & R&M store to Transmission division Navsari all substation OR any Transmission network site of Transmission."** detailed in the accompanying specifications in accordance with Terms and Conditions herein. The bids shall be prepared and furnished as per these instructions.
2. **The validity of tender is 180 days from the date of opening of technical bid**
3. All commercial terms and conditions except rates shall be indicated in the technical & commercial bid only.
4. The Tenderers shall specifically note that the Tenders are invited on percentage basis only.
5. The tenderers will ensure submission of the Tenders duly filled in before the due date and time.
6. **Security deposit:** - The contractor will have to pay the Security Deposit at 5% of the order value on placing the order out of which 2.5% will have to paid by demand draft / **FDR in the name of 'GUJARAT ENERGY TRANSMISSION CORPORATION LTD/A/c. name of bidder'** within 7 days from the date of the issue of LOI, and the remaining 2.5% will be recovered from the first two R.A. Bills and higher percentage of security deposit may be fixed at the direction of The Superintending Engineer. Alternatively you may pay the entire S.D. in the form of FDR/B.G.as per approved format of the GETCO issued by Nationalized/Scheduled Bank. FDR/B.G. issued by some co-operative bank is acceptable. The security deposit will be refunded only after the completion of guarantee period of 1 year of work done or finalization of final bill whichever is later. **If contractor fails to make the payment of S.D within 10 days after receipt of LOI; than EMD will be forfeited.**
7. **Contract Period :-** The time allowed for completion the work is **24 (Twenty Four) months** from the date of the commencement of the work, failing which the penalty ½% + GST per week or part thereof on delayed portion of work and / or supply value subject to ceiling of 10% + GST of the total contract value will be imposed.
8. The time limit for the work may be reduced and contractor should make all his efforts to complete the work within stipulated time limit as may be given by the Engineer in charge depending upon emergency of work, GETCO reserves the right to reduce the time limit without giving any notice.
9. 'Owner' shall mean the Gujarat Energy Transmission Corporation Ltd, Vadodara or any of its group companies i.e. GUVNL, GSECL, MGVL, DGVCL, PGVCL UGVCL and shall include its legal representatives, successors and assigns.
10. Owner' shall mean the Gujarat Energy Transmission Corporation Ltd, Vadodara or any of its group companies i.e. GUVNL, GSECL, MGVL, DGVCL, PGVCL UGVCL and shall include its legal representatives, successors and assigns.
11. The time limit allowed for carrying out the work as entered in the tender shall strictly observed by the contractor and shall be reckoned on the 10th day of issuance of LOI. The work shall throughout the stipulated period of contract proceeds with due diligence (time being deemed to be essence of contract) and for delay, the contractor shall pay compensation @ 0.5% plus GST as applicable per week or part thereof on delayed portion subject to maximum 10% plus GST as applicable of the Total contract value of the civil works (End cost with GST & cess as applicable). For calculating the delayed portion, date of work completion mentioned in work completion certificate shall be considered.
12. In event of failure of the contractor to pay the amount of penalty as demanded, the Owner shall be entitled to deduct the amount of penalty for delay from the amounts payable under any other contract with the GUVNL and its subsidiary companies i.e. GETCO, GUVNL, GSECL, MGVL, DGVCL,PGVCL, UGVCL. It is permissible for the owner to adjust the amount of Penalty of delay against any bank Guarantee furnished by the contractor under this contract or any other contract with GUVNL and/or its subsidiary companies.

13. 82.4 If the Contractor shall neglect to execute the works with due diligence and expedition or shall refuse or neglect to comply with any reasonable order given to him, in writing by the Engineer in connection with the works or shall contravene the provisions of the Contract, the Owner may give notice in writing to the Contractor to make good the failure, neglect or contravention complained of. Should the Contractor fail to comply with the notice within thirty (30) days from the date of serving the notice, then and in such case the Owner shall be at liberty to employ other workmen and forthwith to execute such part of the works as the Contractor may have neglected to do or if the Owner shall think fit, without prejudice to any other right he may have under the Contract to take the work wholly or in part out of the Contractor's hands and re-contract with any other person or persons to complete the works or any part thereof and in that event the Owner shall have free use of all Contractor's equipment that may have been at the time on the Site in connection with the works without being responsible to the Contractor for fair wear and tear thereof and to the exclusion of any right of the Contractor over the same, and **If the sum that the Contractor is entitled to be paid plus the costs incurred by the Owner in completing the works, exceeds the Contract Price or the entire works if entire works have been completed or the price for port of the works if part of the works have been completed. the Contractor shall be liable for such excess.**

14. **If such excess is greater than the sums due to the Contractor, the Contractor shall pay the balance to the Owner and if such excess is less than the sums due to the Contractor, Owner shall pay the balance to the Contractor. For facilitating such payment. Owner shall encase the Bank Guarantees of Contractor available with Owner/s and retain such other payments due to the Contractor under the Contract in question or any other Contract that the Owner/s may have with the Contractor.** Such payment of excess amount shall be independent of the liquidated damages for delay which the Contractor shall have to pay if the completion of works is delayed.

16. RIGHTS OF THE OWNER

17. Whenever any claim or claims for payment of a sum of money arises out of or under the contract against the contractor, the Owner shall be entitled to withhold and also have lien to retain such sum or sums in whole or in part from the security, if any, deposited by the contractor and for the purpose aforesaid, the Owner shall be entitled to encash and withhold the amount of Performance Bank Guarantee or other security, if any, furnished as the case may be. The Owner shall also have a lien over the same pending finalization or adjudication of any such claim. In the event of the security is insufficient to cover the claimed amount or amounts, the Owner shall be entitled to withhold and have lien to retain to the extent of the such claimed amount or amounts referred to above, from any sum or sums found payable or which at any time-thereafter may become payable to the Contractor under the same contract or any other contract with the Owner or GUVNL or its subsidiary companies pending finalization or adjudication of any such claim.

18. Lien in respect of Claims in other Contracts:

19. a) Any sum of money due and payable, to the Contractor (including the security deposit) under the contract may be withheld or retained by way of lien by the Owner against any of its claim in respect of payment of a sum of money arising out of or under any other contract made by the contractor with the owner or GUVNL or any of its subsidiary companies.

20. b) It is agreed that the sum of money so withheld or retained under this clause by the Owner will be kept withheld or retained as such by the owner till its claim arising out of the same contract or any other contract is either mutually settled or determined by the arbitrator or competent court, as the case may be, and the Contractor shall have no claim for interest or damages whatsoever on this account or on any other ground in respect of any sum of money withheld or retained under this clause and as may be duly notified to the contractor."

Goods and Service Tax (GST) :

The F.O.R. Destination prices are excluding GST and Cess as applicable which will be paid extra on a given taxable goods and/or services within the original contractual delivery period. The amount and % of GST and Cess as applicable should clearly be indicated separately. (GST/Cess means all applicable Tax/Cess under GST Laws. GST Laws means IGST Act, GST (Compensation to the State for Loss of Revenue) Act, CGST Act, UTGST Act and SGST Act, 2017 and all related ancillary legislations).

You shall have to submit a C.A Certificate & duly authorized Signatory of successful bidder, certifying that you have not claimed Refund of any applicable GST and Cess, charged to COMPANY or shall not claim any such Refund, on a future date, from the concerned Authorities and if, any Refund, in respect of such GST and Cess, is claimed by you, it will be immediately passed on to the COMPANY, without COMPANY making any specific Claim, for the same, either from the Department or from you.

The offers having price INCLUSIVE OF GST and Cess is likely to be rejected if the rate of GST and Cess is not mentioned clearly unless the bidder has opted for Composition Scheme under GST Act, which should be clearly indicated in the price bid. COMPANY may at its discretion consider such offer with presumption of highest applicable rate of VAT/GST/Cess prevailing when the price quoted is inclusive of GST and Cess.

If the Supplier/Contractor has opted for the Composition scheme of GST, the same must be clearly specified with valid Declaration & Certificate from Department. In the event of withdrawal/cessation of the Supplier from Composition scheme during the tenure of the contract, the rate mentioned in the price bid shall be final and any additional GST will have to be borne by the tenderer. In no case additional amount towards tax or otherwise will be paid / reimbursed to supplier/contractor. Further Statutory Variation clause will not be applicable in case of Supplier / Contractor has opted for Composition Scheme under GST.

Supplier/Contractor should charge GST in Invoice at the rate as agreed to / mentioned in acceptance of tender only and any deviation in the same shall not be accepted. Further, any additional liability of GST (later on due to wrong mentioning of GST rate, mis-interpretation of HSN/SAC Code, etc.) over and above as charged in the invoice shall be borne by the Supplier/Contractor. However, any refund received by the supplier / contractor on account of GST charged from the company; such refund shall have to be passed on to the company, along with interest if any. Such refund along with interest needs to be passed on suo-moto by the supplier / contractor.

Further, the Company has a right to recover the amount of GST along with penal interest at the rate of 15% per annum if GST charged is not paid / short paid to the government or fail to upload the details or uploads inaccurate particulars on GSTIN portal by the Supplier / Contractor within the stipulated time limit.

In case, Govt. revises the rate of GST rate / Code during the tenure of the contract, the provision of GUVNL's statutory variation clause shall apply.

INPUT TAX CREDIT BENEFIT

In the event of any statutory increase in the rate of Input Tax Credited / or due to inclusion of any other additional item of their inputs / input services under the ambit of the Input Tax Credit provisions under the GST Act, subsequent to the date of submission of the offer, the same should be passed on to COMPANY and you should inform such changes to COMPANY from time to time.

INCOME TAX:

Income tax at source at the prevailing rate will be deducted from contractor's bill in accordance with the provisions of Income tax Laws and to that effect a certificate will be issued to the Contractor.

12.2 The bidder will have to submit latest income-tax clearance certificate along with the offer.

21. WELFARE CESS:-

As per the Welfare Cess Act, the welfare cess @ 1% is applicable on supply and erection items for supply, erection, testing & commissioning of substation, transmission lines, EPC/Turnkey projects, and civil works.

Contractor shall get registered under Welfare Cess Act before commencement of work in required head as per nature of work. Office of the Factory Inspector is authorized at present as a registering authority.

GETCO shall pay the welfare cess by way of reimbursing to contractors on production of documentary evidence of payment. Registration charges will not be reimbursed.

The contracts for which supply or part supply of material are in the scope of GETCO, then contractors shall deposit welfare cess on estimated cost of supplied items to GETCO on progressive basis of utilization. As this part of welfare cess is on GETCO account, the same shall be reimbursed to the contractor on receipt of request letter along with documentary evidence of payment. For calculation of welfare cess on supply part, valuation as per MR shall be taken and informed to the contractor for payment. This will be over and above the A/T value. The modality of payment/ reimbursement of welfare cess will be as under.

On receipt of A/T, the contractor / bidder will get them registered under Welfare Cess Act and submit the documentary evidence to the concern office. Copy of Registration certificate shall be submitted before submission of 1st RA bill

Before release of payment of first R.A.Bill, the contractor has to submit the documentary evidence of registration. Only thereafter, the bill will be processed for payment.

Before release of payment of subsequent R.A.Bills, the contractor has to submit the documentary evidence of payment of welfare cess of previous R.A.Bill.

The welfare cess shall be reimbursed to the contractor on submission of copy of documentary evidence of payment by observing due formalities.

1. STATUTORY VARIATION:

Any statutory increase or decrease in the taxes and duties including GST and Cess as applicable or in the event of introduction of new tax/cess or cessation of existing tax/cess subsequent to suppliers offer if it takes place within the original contractual delivery date will be to COMPANY's account subject to the claim being supported by documentary evidence. However, if any decrease takes place after the contractual delivery date, the advantage will have to be passed on to COMPANY.

Statutory Variation clause will not be applicable in case of Supplier / Contractor has opted for Composition Scheme under GST.

11. **Service tax & welfare tax shall be reimbursed on production of proof of such payments made by the contractor to the appropriate department.**
12. **The contractor will have to give indemnity bond for material on Non-judicial Stamp paper of value Rs. 300/- to GETCO as per attached format. The cost of stamp paper will be born by the contractor.**
13. **The contractor will have to give safety cum indemnity on Non-judicial Stamp paper of value Rs. 300/- to GETCO against any possible claim of compensation for damage to contractor's staff or any of third party during the execution of work. The cost of stamp paper will be borne by the contractor.**
14. **Also the successful bidder will have to execute Agreement on stamp paper of value Rs.300/- at our Transmission Circle, GETCO, Navsari before commencement of works as per GETCO's prescribed Performa. The cost of stamp paper will be borne by the contractor.**
15. **Guarantee:** - It is the responsibility of the contractor to handover the complete work free of all defects. If within a period of one year from the date of handing over the work it is noticed that any defects occurs due to bad workmanship, it is the duty of the contractor to rectify / replace the same at his own cost. If within seven days from the date of receipt of such notice, the contractor does not take up the work, same will be carried out at his risk and cost.
16. 10% retention money will be deducted from each R.A. Bills against material issued to contractor.
17. 10% amount of bill will be retained from each RA bill for the work executed after the scheduled date of completion and on finalization of time limit extension by competent authority, this amount will be released after deducting amount towards the time limit penalty if any.

18. As regard damage the materials, equipment and worker of the contractor, he himself will be responsible. If there is any compensation to be paid in respect of "WORKMAN" compensation act of any other statutory provisions, the same will have to be paid by the contractor direct. If he thinks fit he may take necessary insurance cover, at his cost.
19. The quantum of the work as mentioned in estimate/ schedule –'B' is tentative and it can be varied or differed as per site condition. The payment shall be made only on actual work executed or order quantity, whichever is less.
20. The tenderer will be abided by and fulfill all the terms and provisions of the "Tender & Contract" for works as applicable and incase of any default there to the GETCO shall forfeit the S.D. or any other action as may be decided by Superintending Engineer , GETCO, Navsari.
21. The cost of damages, if any will be recovered from the Contractor's bill. The assessment of which will be done by field Engineer at his sole discretion and his decision shall be binding to the contractor and shall be considered as final and unchallengeable.
22. GETCO shall deduct the Income-Tax and other taxes as per prevailing rules from each and every bill.
23. No part rate or reduced rate shall be allowed in final bill.
24. The contractor has to follow all labour laws, safety rules and regulations. The GETCO does not take any responsibility in case of accident or injury to the workers. The safety/ security of men, materials and equipment's shall be sole responsibility of the contractor.
25. The compliances of all Central/ State Govt. rules, safety and insurance rules etc. and that of local body, is a must condition for the agency.
26. The Gujarat Energy Transmission Corporation Limited does not bind itself to accept the lowest or any tender. GETCO reserves the right to reject any or all tender without signing any reasons whatsoever.
27. The erection work should be commenced immediately from the date of receipt of instructions from office and should be completed within thereafter.
28. The tender includes all minor accessories and items of work which are not have been specifically mentioned in the specification schedule etc. but are essential for completion of work. The contractor will not be eligible for any extra payment in respect of such minor accessories and items of work.
29. Tenderer will be qualified only who have submitted all the required documents as mentioned in tender notice.
30. *No higher rate or revised rate will be applicable for the work, if work is held up/ closed due to whatever so reasons.*
31. *GETCO will not pay any idle charge for any site conditions or any circumstances.*
32. In case of any dispute/ doubt, the decision of Superintending Engineer , GETCO, Navsari shall be unchallengeable, final and binding to the contractor.
33. The contractor has to remain in close day to day contact with Engineer in charge of work i.e. **EE Navsari** who will issue detailed instruction for the commencement of the work.
34. Contractor will abide by and fulfill all the terms and conditions and general terms and condition of the contract for works available in the office.
35. All other general terms and conditions as prevailing in the GETCO shall be applicable to the contract.
36. The contractor will have to complete entire job as per directive and instruction of Engineer in charge. If he fails to do so entire work will be carried out at contractor's risk and cost.
37. The contractor must engage sufficient knowledgeable persons round the clock, exclusively for oil filter machine provided by GETCO for oil filtration work. No loss of oil should occur and in case if occurs; its cost will be recovered from contractor's bill. The contractor has to apply sufficient nos. of cycles for oil filtration works as decided by the Engineer in charge.
38. The tender shall be issued to only the experienced contractor who has completed such job of similar nature and magnitude satisfactorily in time. However, filling of on line tender, does not qualifies the tenderer to offer the bid.
39. Tender offer without payment of EMD required certificate, documents, list of tools, tackles, equipment's etc. required for execution of job will be out rightly rejected without assigning any reason thereof and decision of Superintending Engineer , GETCO, Navsari will be final and unchallengeable.
40. The Contractor will be governed by The GETCO's general conditions of works contract. The Booklet will be available in the concerned office in any working days. In the event of placing order, the

contractor will have to sign this booklet along with other document and agreement. All the usual terms and conditions of the GETCO, through the same might have not been mentioned in this specification or contractor booklet will applicable to this contract, and the decision of the Superintending Engineer shall be binding on the contractor.

41. After completion of the work, all the surplus materials issued by the GETCO shall be returned by you to the respective center of the GETCO as per instruction of Engineer in charge at your cost.
42. Specification in any items mentioned in tender are subject to change without any prior notice and binding to the contractor.
43. If the work is required to be carried out during fix outage then the contractor has to deploy adequate man power, material, tools etc. well in advance and has to complete the entire work during this specific outage period only, failing to which GETCO shall be at liberally to deduct the amount of revenue loss due to prolong outage.
44. If required by GETCO you shall have to provide free to and fro traveling facility to our Junior Engineer or Technical staff for the work.
45. The contractor shall not refuse to execute the work order at any time and it will be his sole responsibility to execute and complete this work as per the instruction of Engineer in charge.

The Contractor shall also so arrange to perform his work as to minimize, to the maximum extent possible, interference with the work of other Contractors and their workmen. Any injury or damage that may be sustained by the employees of the other Contractors and the Owner, due to the Contractor's work shall promptly be made good at the Contractor's own expense.

66. **PROTECTION OF WORK**

The Contractor shall have total responsibility for protecting his works till it is finally taken over by the Engineer. No claim will be entertained by the Owner or by the Engineer for any damage or loss to the Contractor's works and the Contractor shall be responsible for complete restoration of the damaged works to original conditions to comply with the specification and drawings.

: SPECIAL COMMERCIAL CONDICATION FOR TENERER: -

1. TAKING DELIVARY AND INSURANCE:-

- 1.1 The contractor has keep S/S & line materials in safe custody and transport to the respective sites and will be reasonable for any damages to or loss of all materials at any stage during transportation or erection or taking over of the line by GETCO.
- 1.2 The Contractor has to open site store and ensure for safe custody of all the stored materials at his own cost.
- 1.3 The Contractor shall have total responsibility for the entire materials stored loose, semi assembled and/or erected by him at site in his custody. The Contractor shall make suitable security arrangements is at own cost to ensure the protection of all materials, equipments and works from theft, fire pilferage and any other damages and loss, it shall be the responsibility of the contractor to arrange for security till the works are finally taken over by the Corporation.

2 STORAGE-CUM-ERECTION INSURANCE:-

- 2.1 The contractor shall take suitable storage-cum-erection insurance cover at his cost to the extent of 100% cost of s/s/line materials, which are required to complete the sub-station /line. Bidder shall have to take the comprehensive **Marine cum Erection (MCE)** insurance policy against any loss, damage, theft, pilferage, fire etc. for the complete period of storage, fire etc. for the complete period of storage, erection and commissioning up to the time of taking cover of the sub-station/line by GETCO. The contractor shall deal directly and pursue the claim with the Insurance Company and shall be responsible in regard to maintenance of all insurance coverage as well as for settlement of claim. The proof of insurance policy taken by the successful contractor shall be furnished / submitted to Engineer-in-charge of GETCO. **No material shall be issued to bidder/erection agency in absence of such insurance policy. The risk shall be covered for lifting of materials from store to final handing over to GETCO. Further in absence of the above insurance policy, R.A. bill payment will be withheld.**
- 2.2 In the event of any damage, theft, loss, pilferage, fire etc, Contractor will be responsible to lodge, pursue and settle all the claims with the insurance company for all items, materials and the corporation shall be kept informed about it. Contractor shall replace the lost/damaged materials/items promptly irrespective of the settlement of the claims by underwriter and ensure that the work progress is as per agreed schedule. The loss, if any, such replacement will have to be borne by the contractor and GETCO will not entertain any claim/representation in this regard. However it will be contractor's responsibility to insure the entire project till the line / sub-station or any other project / works is taken over by the GETCO.

3.0 INSURANCE

- 3.1 The Contractor at his cost shall arrange, secure and maintain all insurance as may be pertinent to the Works and obligatory in terms of law to protect his interest and interests of the Owner against all perils detailed herein. The form and the limit of such insurance as defined herein together with the under-writer in each case shall be acceptable to the Owner. However, irrespective of such acceptance, the responsibility to maintain adequate insurance coverage at all time during the period of Contract shall be of Contractor alone. The Contractor's failure in this regard shall not relieve him of any of his contractual responsibilities and obligations. The insurance covers to be taken by the Contractor shall be in the joint name of the Owner and the Contractor. The Contractor shall, however, be authorized to deal directly with Insurance Company or Companies and shall be responsible in regard to maintenance of all insurance covers. Further the insurance should be in freely convertible currency.
- 3.2 Any loss or damage to the material during handling, transportation, storage, erection, and all activities to be performed till the successful completion of commissioning of the line shall be to the account of

the Contractor. The Contractor shall be responsible for preference of all claims and make good the damages or loss by way of repairs and/or replacement of the equipment, damaged or lost. The transfer of title shall not in any way relieve the Contractor of the above responsibilities during the period of Contract. The Contractor shall provide the Owner with copy of all insurance policies and documents taken out by him in pursuance of the Contract. Such copies of documents shall be submitted to the Owner immediately after such insurance coverage. The Contractor shall also inform the Owner in writing at least sixty (60) days in advance regarding the expiry/cancellation and/or change in any of such documents and ensure revalidation, renewal etc., as may be necessary well in time.

- 3.3 The perils required to be covered under the insurance shall include, but not be limited to fire and allied risks, miscellaneous accidents (erection risks) workman compensation risks, loss or damage in transit, theft, pilferage, riot and strikes and malicious damages, civil commotion, weather conditions, accidents of all kinds, etc. The scope of such insurance shall be adequate to cover the replacement/reinstatement cost of the equipment for all risks up to and including delivery of goods and other costs till the equipment is delivered at Site. The insurance policies to be taken should be on replacement value basis and/or incorporating escalation clause. Notwithstanding the extent of insurance cover and the amount of claim available from the underwriters, the Contractor shall be liable to make good the full replacement/rectification value of all equipment/materials and to ensure their availability as per project requirements.

3.4 PENALTY FOR DELAY:-

The bidder should note that the completion time allowed for carrying out the work should be strictly observed. Any delay that may take place in supply and erection beyond contractual cutoff date stated as per stipulated delivery period shall be subject to the *penalty ½% per week or part thereof on delayed portion of work and / or supply value subject to ceiling of 10% of the total contract value will be imposed.*

In event of failure of the contractor to pay the amount of penalty as demanded, the Owner shall be entitled to deduct the amount of penalty for delay from the amounts payable under any other contract with the GUVNL and its subsidiary companies i.e. GETCO, GUVNL, GSECL, MGVL, DGVCL, PGVCL, UGVCL. It is permissible for the owner to adjust the amount of Penalty of delay against any bank Guarantee furnished by the contractor under this contract or any other contract with GUVNL and/or its subsidiary companies.

Signature of the Tenderer.

Superintending Engineer
Navsari

TERMS AND CONDITION OF CONTRACT:-

1. The work to be carried out by the contractor consists of transport of various types of plants, equipments, and materials from the respective Railway Station/Transport Co., received from time to time at various places/different stores of Corporation to Sub Division or Stores of the Corporation and vice-versa for the period of 1(one) year from the date of the order and to the period extended (Maximum 3 months) as may be required by the Department.
2. The quantity mentioned in schedule-‘B’ is on approximate basis. However, the contractor has to carry out the work as per actual quantities received during the period of contract and the contractor will not claim any additional extra rates for quantities received to be executed over or below the tendered quantities if he is called upon to cart.
3. The scope of work excludes the carting of materials which require to be transported (i.e. over dimensioned consignments) through the big Ben registering special permission from R.T.O. and also consignments one place) weighing more than 10 tones.
4. Waiting time at the places of getting or giving delivery would repaid at the supplier and /or the Railways and / or the in charge store officer and no responsibility for detention charges shall be accepted by the Corporation though efforts would be made to minimize such detention.
5. In addition to the loading, unloading, transporting, sorting, etc., the contractor shall also have to act as out clearing and forwarding agent for collecting goods from Railway or other sources without any extra remuneration, for preparing necessary clearances of booking and / or marking and weighting at weigh bridges to record the correct weights etc. etc..
6. The contractor shall have to complete the job immediately on receipt of the intimation from our local office by the letter or telephones. As far as possible, sufficient notice will be given to the contractor to arrange for coolies, etc. for transporting the materials. The authorized agent of the contractor shall have to call at our local office at least twice a day to inquire about the proposed dispatches and receipts.
7. All materials collected from suppliers or cleared from Railway’s OR taken over from our local office OR godown for booking shall be very carefully handled and transported. Any loss or damage in transit will be the responsibility of the contractor and cost their of will be recovered from him. The assessment of damage shall be done by our field officer at his sole discretion and his decision will be final and binding of the contractor.
8. Materials must be booked then booking for the Station or which intimation has been send, is open. This should be ascertained from the Railway and intimated to the Field Officers regularly.
9. Clear Railway receipt/ LR must be presented within one (1) day from the date of delivery of materials from booking. If in any case there is possibility of delay due to unforeseen circumstances, the matter should be reported in writing to our local office immediately.
10. Railway receipt/L.R. will have to be sent always “freight Paid” for which the contractor shall have to pay Railway freight in advance on behalf of the Corporation except in case where it is informed to send the goods “Freights to pay”. The freight charges thus paid may be claimed by producing Railway freight receipt and the payment of such amounts shall be made by us.
11. If the contractor fails to present the Railway Receipts for dispatched materials within stipulated time, the demurrage charges etc. Paid by the consignees at the other end due to late receipt of R.R. shall be recovered from the contractor.

12. Contractor's authorized representative should always be present at the time of taking delivery of the consignment to avoid any complications thereafter.
13. Advance intimation should be given on phone OR in person regarding next days
This should be immediately delivered by a written confirmation.
14. The contractor shall be responsible for the consequences if wagons are not unloaded within the stipulated time. Due to inadequate number of Majdoors engaged OR for any other reasons on his part.
15. Transporting rates should be inclusive of all operations of loading and unloading the materials from wagons, stores yard or store room into trucks or other conveyance and stacking of the same according to size and lengths item wise as per the instructions of the In-charge store officer and vice-versa.
16. On receipt of the materials at stores the same should be properly stacked within 2 (two) days from the due of receipt. The same should be strictly followed.
17. The methods employed for carting and conveying all the materials and equipment's will have to be got approved by the field officer of this division and the decision of Executive Engineer (Const) Navsari shall be final and shall be binding on the contractor.
18. Freight charges against the R.R. for the incoming consignments to the Railway authorities will have to be arranged by the contractor for freight not exceeding Rs. 10/- per R.R. It will be paid to contractor by the Corporation on presentation of the relevant money receipts. The money Receipt shall have to be provided to this office within a week's time, for reimbursement.
19. On the receipt of the R.R. the same will be handed over to the contractor along with the letter for exemption of octroi duty i.e. to say the contractor will have to make his arrangements to obtain exemption certificate for Octroi purposes from Municipality.
20. Payment of transport bills shall be based on actual weights if the same are available or R.R. weight or calculated weights, at the discretion of our Field Officer and the paying authority.
21. Deposits for allotment of Wagons, if any, will have to be paid by the contractor to the Railways for which no advance shall be paid.
22. The contractor has to make his own arrangements for all sorts of tools and tackles, as and when necessary arises and according to requirements. Procuring requisite machinery for moving items of heavy machinery shall be the sole responsibility of the contractor and no extra payment will be made on that account. However, the crane charges for lifting the consignment from Railway will be to the Corporation's account and the same will be reimbursed to the contractor on production of relevant money receipt from Railways.
23. If the contractor fails to carry out the job at any time within the specified period, the work will be got done at the risk and cost of the contractor and the difference between the rates paid and actually payable to the contractor as per the contract will be adjusted from the pending bills.
24. The contractor should intimate to the office-in-charge at Corporation's office, the names and addresses and telephone number of his authorized and responsible representatives, so that our Field Officer can contact them in connection with the transport work.

25. The bill in triplicate should be forwarded to the concerned Field Officer and payment will be made y Division office after the receipt of the certificate from the Field Officer that the materials have been received correct and in good conditions and properly stacked.
26. The Transport rates should be quoted without any condition. The rate for all items should be written in Ink, both in words and figures in legible hand.
27. The Executive Engineers GETCO, Construction Division, Navsari reserves the right to reject any OR all the tenders without assigning any equable hand.
28. The 5% of the Tendered value will have to be paid in Cash as Security Deposit if the tender is accepted. Also the successful tenderer will have to produce the required solvency certificate as per the rules of the Corporation.
29. The quantities mentioned in the Schedule, are approximate and the Contractor is bond to carry out the work for the period of 1 (one) year. The period will be reckoned fro the date of issue of regular order. The period will be extendable for the period of 3 (three) months OR further as may be required by the Department. The contract will be governed required by the “General Conditions of Contract” of the Corporation. A copy of the booklet is available in office. The contractor will have to enter into Agreement with the Corporation on Stamped paper the charges of which will be borne by the contractor.
30. The form of conditions is to be signed by the tenderer in token of his acceptance of all the conditions and terms, and should be returned along with his tender.
31. The rates should be filled in the schedule of quantities attached herewith and should be signed by the contractor.
32. The Corporation will not take any responsibility OR liability as regards factory Act, minimum wages Act, workmen’s compensation Act etc.. OR any other Act rules Or Regulations that have to be observed by the contractor for carrying out the work entrusted to the contractor. Any accidents fatal-non-fatal or injuries to the workers working during the execution of the transport, loading etc. of Corporation materials on behalf of the Corporation will be at the risk and cost of the contractor.
33. Should this tender by accepted, I/We hereby agree to abide by and fulfill all the terms and provisions of the ‘TENDER AND CONTRCT FOR WORK’ as applicable and in default thereof to forfeit the security deposit etc.. Paid by the contractor and to pay to the Corporation the sums of money due.
34. The full value of the “EARNEST MONEY” paid herewith should be absolutely forfeited to the Corporation should I/we not deposit the full amount of specified security deposit within the specified time in the work order.
